(2) An insured person is entitled to insured services only for the period of time following admission during which such services are, in the opinion of the Commission, medically necessary.

(3) The Commission may at any time and from time to time require a hospital to obtain from the insured person's attending physician and forward to the Commission a written statement that the attending physician shall provide regarding the condition of the insured person and stating the reasons showing the necessity for the insured services or other treatment provided during all or any part of his stay in hospital.

INSURED SERVICES OUTSIDE ONTARIO

52.—(1) An insured person who receives treatment in a hospital outside Ontario may be reimbursed by the Commission for all or part of the cost of insured services received, on presentation to the Commission of a detailed receipt from the hospital for payment made to the hospital by him, or the Commission may make payment directly to the hospital for insured services received by the insured person, where,

(*a*) the hospital that supplied the care and treatment is approved by the Commission for the purposes of the plan of hospital care insurance;

(*b*) the hospital that supplied the care and treatment is licensed or approved as a hospital by the governmental hospital licensing authority in whose jurisdiction the hospital is situated;

(*c*) the hospital certifies to the Commission,

(i) that the insured person was admitted, with the date of admission,

(ii) the diagnosis of the condition for which the insured person was admitted,

(iii) the date of discharge or death of the insured person,

(iv) the nature of any complication, complications or *sequelae*, if any, that would explain a longer than average stay in hospital of a person with the disease or condition from which the insured person was suffering,

(v) the kind and number of any laboratory, radiological or other special diagnostic tests performed on or for the insured person,

(vi) the nature of any special treatment procedures or surgery that were performed on the insured person,

(vii) the discharge diagnosis or cause of death, as the case may be, and

(viii) such other information as is required or requested by the Commission; and

(2) Where a person receives treatment in a hospital outside Canada, the cost of the insured services paid by the Commission shall be the amount determined by the Commission for that hospital.

(3) Where an insured person receives treatment in a hospital outside Ontario for an acute attack of mental illness or tuberculosis, the Commission may reimburse the insured person for the cost thereof for a period not exceeding sixty days, and subsections 1 and 2 apply as if the treatment were an insured service.

(4) The Commission may enter into a reciprocal agreement with any other province in Canada to pay the full per day rate of that other province for treatment received by an insured person in a hospital that is in that province and that is approved for participation in the plan of hospital care insurance for that province. O. Reg. 1/67, s. 50.

53. Where an insured person receives ambulance services outside Ontario, the Commission may pay to or on behalf of such insured person 75 per cent of the charges for such services,

(*a*) if the insured person presents to the Commission a detailed receipt for the ambulance services, showing the number of miles that the person was transported; and

(*b*) if the insured person presents to the Commission a certificate signed by a medical practitioner stating that the ambulance services were justified on medical grounds,

provided that the Commission shall not pay an amount greater than it would be required to pay for the same or similar ambulance services over the same traversed distance in Ontario. O. Reg. 231/68, s. 7, *revised*.

54.—(1) Where a resident takes up residence elsewhere, his benefit period extends for the period for which he has paid premiums in advance but not to exceed three months from the date of taking up such residence.

THIRD PARTY LIABILITY

55.—(1) In this section, "notice" means notice in writing by personal delivery or mailed by registered mail addressed to the latest post office address of the person to whom the notice is sent as shown on the records of the Commission or, where no address is shown for him on the records of the Commission, then addressed to him at his post office address as shown on the records of the hospital that provided the insured services.

(2) The Commission is subrogated to any right of an insured person to recover all or part of the cost of insured services from any other person, incuding future insured services, and the Commission may bring action in the name of the insured person to enforce such rights.

(3) An insured person shall not release any right to which the Commission is subrogated without the consent of the Commission.

(4) An insured person, who commences an action to recover for loss or damages arising out of the negligence or other wrongful act of a third party to which the injury or disability in respect of which insured services have been provided is related, shall include a claim on behalf of the Commission for the cost of the insured services.

(5) Where an insured person commences an action referred to in subsection 4, his solicitor shall so inform the Commission forthwith after issuing the writ and shall act as solicitor for the Commission for the purpose of this section unless notified by the Commission that another solicitor is appointed by the Commission for the purpose.

(6) Subject to subsection 8, where an insured person obtains a final judgment in an action in which he includes a claim on behalf of the Commission, the Commission shall bear the same proportion of the taxable costs otherwise payable by the insured person, whether on a party and party basis or on a solicitor and client basis, as the recovery made on behalf of the Commission bears to the total recovery of the insured person in the action or, where no recovery is made, as the assessed claim of the Commission bears to the total damages of the insured person assessed by the court.

(7) Where a claim is settled, the Commission shall bear the same proportion of the taxable costs otherwise payable by the insured person as is set out in subsection 6 in respect of a recovery made.

(8) The costs for which the Commission may be liable to bear a portion under subsection 6 are the costs of bringing the action to the conclusion of the trial only and do not include the costs of any other proceeding without the written consent of the Commission.

(9) If no action has been commenced by an insured person for the recovery of damages arising out of injury or disability within eleven months of the last act or omission that caused or contributed to the injury or disability, or before thirty days before the expiration of the limitation period for the action, whichever occurs first, the Commission,

(*a*) after notice thereof to the insured person, may commence an action in his name for the recovery of the cost of insured services; and

(*b*) may effect settlement of its claim without prejudice to the right of the insured person to commence an action to recover for his injuries or other damages.

(10) The insured person, at any time prior to the trial of an action commenced by the Commission under subsection 9, may, subject to the rules of court, join in such action any additional claims arising out of the same occurrence and thereafter the insured person shall have the conduct of the action as if he had commenced it under subsection 4.

(11) Where the insured person is an infant or under other disability or has died, the Commission may commence an action in its own name for the recovery of the cost of insured services rendered to him and, in that event, shall forthwith give notice of the institution of such action to the parent or guardian of the infant, or to the committee or guardian of the person under disability, or to the personal representative, if any, of the deceased person, and subsections 9 and 10 apply *mutatis mutandis* to such action.

(12) An insurer shall pay to the Commission any amount referable to a claim for recovery of the cost of insured services that would otherwise be payable, and the payment discharges the liability of the insurer to pay that amount to the insured person. O. Reg. 1/67, s. 52.

FORM AND COMMENCEMENT OF PROCEEDINGS IN THE SUPREME COURT

Writ of Summons

4. Except where otherwise authorized by a statute or by a rule, every proceeding in the court, other than a proceeding that may be taken *ex parte*, shall be by action commenced by the issue of a writ of summons. R.R.O. 1960, Reg. 396, r. 4.

5.—(1) The writ shall be prepared by the plaintiff and shall contain the names of the parties and the capacity in which they sue and are sued and shall state the office in which and the time within which the defendant is to enter his appearance and shall be endorsed with a short statement of the nature of the plaintiff's claim. R.R.O. 1960, Reg. 396, r. 5 (1).

(2) Writs shall be sealed with the seal of the Supreme Court or with the seal kept in the local office, as the case may be, and shall conclude with the words "IN WITNESS WHEREOF this writ is signed for the Supreme Court of Ontario by ..... 16.—(1) Except as hereinafter provided, in the absence of such acceptance of service every writ of summons shall be served personally, but, if it appears that the plaintiff is unable to effect prompt personal service, substituted service, by advertisement or otherwise, may be ordered.

(2) Substituted service may also be allowed of any other document that requires personal service. R.R.O. 1960, Reg. 396, r. 16.

17. Revoked. O. Reg. 156/68, s. 2.

(3) From the time of such service, the Official Guardian is the guardian *ad litem* of the infant, unless and until otherwise ordered, and it is the duty of the Official Guardian, or of any other guardian appointed for such infant, forthwith to attend to the interests of the infant, and to take all such proceedings as may be necessary for the protection of such interests in the proceeding in which he is appointed guardian, and for that purpose to communicate with all proper persons and parties, including the father or guardian of the infant and the person with whom or under whose care the infant is.

(4) In case there is more than one infant for whom service is made on the Official Guardian, one copy only of the writ need be served, but the name of each person on whose behalf the Official Guardian is served shall be stated on the copy served. R.R.O. 1960, Reg. 396, r. 18.

R.R.O. 1960, Reg. 396, r. 19.

20. Where the action is against an infant in respect of a personal tort or for the recovery of money only, the infant shall be served as in the case of an adult defendant. R.R.O. 1960, Reg. 396, r. 20.

22. After service of the writ, no further proceedings shall be taken against a defendant who is a mentally incompetent person and has no committee, or no committee except the Public Trustee, or against a defendant of unsound mind not so found, until a guardian *ad litem* is appointed. (2) Service may also be effected on any person appointed for that purpose under *The Corporations Act*.

(3) In the case of a railway, telegraph or express corporation, service may be effected on the agent of such corporation at any branch or agency thereof, or on any station master of the railway company, or on the telegraph operator or express agent having charge of any telegraph or express office belonging to such corporation. R.R.O. 1960, Reg. 396, r. 23.

24. Where service of a writ out of Ontario may be allowed and the defendant, whether a British subject or not, is, or was at the time the cause of action arose, carrying on business within Ontario, if the cause of action arose in respect of such business, an order may be made allowing service upon any person having the control or management of the business. R.R.O. 1960, Reg. 396, r. 24.

Service Out of Ontario

25.—(1) Service out of Ontario of a writ of summons or notice of writ may be allowed,

(*a*) where the whole subject-matter of the action is land situate within Ontario (with or without rents or profits);

(*b*) where any act, deed, will, contract, obligation or liability affecting land or hereditaments, situate within Ontario, is sought to be construed, rectified, set aside or enforced;

(*c*) where a will of a deceased person, who at the time of his death was domiciled within Ontario, affecting personal property is sought to be construed, or where the executors or administrators of any such person apply by way of originating notice under rule 607;

(*d*) where relief is sought against a person domiciled or ordinarily resident within Ontario;

(*e*) where administration is sought of the personal estate of a deceased person who at the time of his death was domiciled within Ontario, or the execution (as to property situate within Ontario) of the trusts of a written instrument of which the person to be served is a trustee, which ought to be executed according to the law of Ontario;

(*f*) where the action is in respect of a breach committed within Ontario of a contract wherever made, even though such breach was preceded by or accompanied by a breach out of Ontario which rendered impossible the performance of the part of the contract which ought to have been performed within Ontario;

(*g*) where the action is upon or in relation to a mortgage or charge or lien of any description upon personal property of any description within Ontario in which foreclosure, sale, possession or redemption is sought but in which a personal judgment or order for payment is not claimed unless a personal judgment or order for payment may be claimed under some other provision of this rule;

(*h*) where the action is founded on a tort committed within Ontario;

(*i*) where an injunction is sought as to anything done or to be done within Ontario, or any nuisance within Ontario is sought to be prevented or removed, whether damages are or are not claimed in respect thereof;

(*j*) where a person out of Ontario is a necessary or proper party to an action properly brought against another person duly served within Ontario;

(*k*) where the action is for any other matter and it appears that the plaintiff has a good cause of action against the defendant upon a contract or in respect of a claim for alimony, and that the defendant has assets in Ontario of a value of $200 at least which may be rendered liable for the satisfaction of the judgment; but the order allowing service shall in such case provide that, if the defendant does not

appear, the plaintiff shall prove his claim to the satisfaction of a judge before judgment is entered;

(*l*) in an action upon a contract where the parties have agreed that the courts of Ontario shall have jurisdiction to entertain the action or have agreed as to the manner in which service, either within or out of Ontario, of the writ in an action brought in Ontario may be affected. In either of such cases, service may be effected in the manner agreed upon or as may be ordered;

(*m*) where the action is founded upon a judgment of any court in Ontario; or

(*n*) in an action to declare a marriage void;

(*o*) except in a matrimonial cause, where the claim is for or in respect of the custody or maintenance of or access to an infant; or

(*p*) where by statute an action or proceeding may be commenced in Ontario. R.R.O. 1960, Reg. 396, r. 25 (1); O. Reg. 162/62, ss. 1, 2; O. Reg. 156/68, s. 3 (*a*) (*b*); O. Reg. 301/70, s. 2 (1).

(2) Where it is necessary or proper to serve persons not already parties to an action with an office copy of any judgment or order or notice to prove claims thereunder, service of the same out of Ontario may be allowed. R.R.O. 1960, Reg. 396, r. 25 (2).

(3) Service out of Ontario may also be allowed of an attaching order in cases falling within rule 597. R.R.O. 1960, Reg. 396, r. 25 (3).

26. An application to allow service out of Ontario may be made *ex parte* and shall be supported by an affidavit stating that in the belief of the deponent the applicant has a right to the relief claimed, and showing in what place or country the person to be served is or probably may be found, and whether he is a British subject or not, and that the case is a proper one for service out of Ontario under these rules. R.R.O. 1960, Reg. 396, r. 26.

27.—(1) An order allowing service of a writ of summons out of Ontario may be made before the writ is issued and shall limit the time for entering appearance.

(2) An order allowing service out of Ontario of a notice of motion or attaching order shall limit a time that must elapse after service before the day when the motion is to be heard.

(3) An order allowing service out of Ontario of a judgment or order or notice to prove claims thereunder shall limit a time for moving to add to, vary or set aside the judgment or order.

(4) In limiting the time, regard shall be had to the place where service is to be effected (Form 70). R.R.O. 1960, Reg. 396, r. 27.

28. Where a defendant is to be served out of Ontario with a writ of summons or notice in lieu thereof, the statement of claim shall be served therewith unless the writ is specially endorsed. R.R.O. 1960, Reg. 396, r. 28.

29. Where the defendant is to be served out of Ontario and he is neither a British subject nor in British dominions, notice of the writ and not the writ itself shall be served, and such notice shall, except as herein provided, be served personally unless otherwise directed. R.R.O. 1960, Reg. 396, r. 29.

30. Where service is to be effected upon a person, other than a British subject, in a foreign country to which this rule is by direction of the Chief Justice of Ontario made to apply, the following procedure shall be adopted:

1. The notice of the writ and statement of claim shall be transmitted by the Registrar of the Supreme Court to the Under-Secretary of State for External Affairs for Canada with a copy thereof, translated into the language of the country in which service is to be effected, with a request for further transmission of the same to the government of the country in which it is to be served, with the request that service, either personal or in such manner as is consistent with the practice and usage of that country when personal service cannot be made, be effected and that return be made showing how such service has been effected.

2. Any such official return shall be regarded as proof of the facts therein stated.

3. The plaintiff's solicitor shall, before the papers are transmitted, pay or secure to the satisfaction of the Registrar a sum to answer the fees and charges in connection with such service. R.R.O. 1960, Reg. 396, r. 30; O. Reg. 249/68, s. 2.

31. Where in a civil or commercial matter pending before a court or tribunal of a foreign country a letter of request from such court or tribunal for service on a person in Ontario of any process or citation in such matter is transmitted to the Supreme Court of Ontario, the following procedure shall be adopted:

1. The letter of request for service shall be accompanied by a translation thereof in the English language, and by two copies of the process or citation to be served, and two copies thereof in the English language.

2. Service of the process or citation shall, by a direction of a judge, be effected by any sheriff or his authorized agent.

3. Such service shall be effected by delivering to and leaving with the person to be served one copy of the process to be served and one copy of the translation thereof or may be effected in such other manner as is directed by the letter of request.

4. After service has been effected, the process shall be returned to the Registrar of the Supreme Court, together with the evidence of service by affidavit of the person effecting the service, sworn before a notary public and verified by his seal, and particulars of charges for the cost of effecting such service.

5. The Registrar of the Supreme Court shall return the letter of request for service, together with the evidence of service, with a certificate appended thereto (Form 17) duly sealed with the seal of the said court.

6. Nothing in this rule prevents service from being effected in any other manner in which it may now be made. R.R.O. 1960, Reg. 396, r. 31.

Endorsement of Claim

32.—(1) Upon every writ of summons the plaintiff shall endorse a concise statement of his claim, but it is not essential to set forth the precise ground of complaint or the precise remedy or relief sought (Form 7). R.R.O. 1960, Reg. 396, r. 32; O. Reg. 155/65, s. 1.

(2) If the plaintiff desires a certificate of *lis pendens* he shall include in the endorsement a claim therefor together with a description, sufficient for registration, of the lands in question, but such certificate shall not issue without leave of the court, to be obtained upon *ex parte* application. O. Reg. 155/65, s. 1.

33.—(1) At the option of the plaintiff, the writ of summons may be specially endorsed with a statement of claim where the plaintiff seeks to recover a debt or liquidated demand in money (with or without interest and whether the interest be payable by way of damages or otherwise) arising,

(*a*) upon a simple written promise to pay or upon a written acknowledgment of debt; or

(*b*) upon a simple contract, express or implied, for goods sold and delivered; or

(*c*) upon a simple contract, express or implied, for work done or services rendered where the price or method of calculation of the price has been agreed upon; or

(*d*) upon a cheque, promissory note or bill of exchange; or

(*e*) upon an account settled between the parties in writing; or

(*f*) upon a bond or contract under seal for payment of a liquidated sum, but not including a claim for liquidated damages; or

(*g*) upon a judgment; or

(*h*) upon a statute where the amount sought to be recovered is a fixed sum of money or is in the nature of a debt other than a penalty; or

(*i*) upon a guarantee in writing where the claim against the principal is in respect of a debt or liquidated demand or the writ of summons may be specially endorsed with a statement of claim;

(*j*) in an action for recovery of land, with or without a claim for rent or mesne profits; or

(*k*) in an action for recovery of chattels; or

(*l*) in an action for foreclosure, sale or redemption. O. Reg. 180/64, s. 1; O. Reg. 155/65, s. 2.

(2) The writ in such cases shall be in accordance with Form 8. O. Reg. 180/64, s. 1.

(3) Where a writ is specially endorsed in respect of any of the above claims the plaintiff may also claim in respect of any other matter, in which case,

(*a*) the form of the command on the writ shall be so worded as to apply to each of such claims; and

(*b*) the general endorsement shall be preceded by the words "and by way of general endorsement:". O. Reg. 180/64, s. 1.

(4) Before being issued a writ which is specially endorsed shall be certified by the solicitor who issues it that he believes the claim is one that properly comes within this Rule. O. Reg. 180/64, s. 1.

34. Where the plaintiff in an action of dower claims damages for detention of her dower, the endorsement shall contain a statement that the

plaintiff claims damages for the detention of her dower from some day to be stated. R.R.O. 1960, Reg. 396, r. 34.

DEFAULT OF APPEARANCE

35. Except where otherwise provided or otherwise ordered, a defendant who fails to appear is not entitled to notice of any subsequent proceedings in the action. R.R.O. 1960, Reg. 396, r. 35.

36. Where a defendant fails to appear, the plaintiff, before signing judgment or noting the pleadings closed, shall file an affidavit of service of the writ, or the notice in lieu thereof, or the undertaking of the defendant's solicitor accepting service and agreeing to enter an appearance, with an affidavit verifying the undertaking, as the case may be. R.R.O. 1960, Reg. 396, r. 36.

37. Where the writ is specially endorsed for a debt or liquidated demand in money and any defendant fails to comply with rule 56, the plaintiff, notwithstanding that the writ may be endorsed with any other claim, may, as against such defendant, sign final judgment for any sum not exceeding the amount for which the writ is so specially endorsed, together with interest as claimed to the date of the judgment, and for his costs, without prejudice to his right to proceed with the action against any other defendant, and as to any other claims endorsed (Form 92). R.R.O. 1960, Reg. 396, r. 37; O. Reg. 242/67, s. 2.

38.—(1) Where the writ is specially endorsed with a claim for the recovery of chattels and any defendant fails to comply with rule 56, the plaintiff, notwithstanding that the writ may be endorsed with any other claim, may, as against such defendant, sign final judgment for the recovery of the chattels and his costs without prejudice to his right to proceed with the action against any other defendant and as to any other claims endorsed (Form 98).

R.R.O. 1960, Reg. 396, r. 42.

43. Where a defendant fails to appear in an action for recovery of land, the plaintiff is not entitled to costs unless he filed an affidavit showing that such defendant was at the time of the issue of the writ in actual adverse possession of the land or obtains an order allowing him to sign judgment as well for his costs as for possession of the land. R.R.O. 1960, Reg. 396, r. 50.

51.—(1) A defendant in an action for dower may, with his appearance, file an acknowledgment that he is tenant of the freehold of the land named in the writ, together with his consent that the plaintiff may have judgment for her dower therein, and may take the proceedings authorized by *The Dower Act* to have the same assigned to her, unless the parties otherwise agree, and he shall forthwith serve the plaintiff or her solicitor with a copy of such acknowledgment and consent, and upon such consent the plaintiff may enter judgment of seisin, and may obtain a writ of assignment of dower, but is not, without an order, entitled to tax or recover the costs of the action or judgment against the defendant.

(2) The entry of a judgment of seisin and the taking of proceedings for the assignment of her dower thereunder does not prevent the plaintiff from proceeding with the action for the recovery of arrears of dower or damages.

(3) Where the defendant has filed and served such acknowledgment and consent and the plaintiff does not within three months thereafter sue out and cause to be executed a writ of assignment of dower, the defendant may, by leave, sue out such writ, and the writ shall be, as nearly as may be, in the same form as a writ sued out by the plaintiff, and the like proceedings shall be had thereon. R.R.O. 1960, Reg. 396, r. 51.

52. In an action for dower, the landlord or other person under whom a tenant in possession, who is not also tenant of the freehold, holds or entered into possession, may, without leave, appear and defend by filing with his appearance an affidavit that he is tenant of the freehold, and is advised and believes that there is good ground for disputing the plaintiff's claim to dower. 55. Any person appearing to a writ for the recovery of land may limit his defence to a part only of the land, describing the part with reasonable certainty in his appearance, or in a notice to be served within four days after appearance (Forms 10 and 30), and thereupon the plaintiff may sign judgment for the recovery of possession of the land as to which no defence is made (Form 96). R.R.O. 1960, Reg. 396, r. 55.

56.—(1) Where the writ is specially endorsed, the defendant shall with his appearance file an affidavit made by the defendant or by any person having knowledge of the facts that he has a good defence upon the merits and showing the nature of his defence, with the facts and circumstances which he deems entitle him to defend the action.

(2) Such motion may be made in respect of a cause of action specially endorsed, though the writ may also be endorsed with any other claim.

(3) On any such motion, any amendment of the writ that might be ordered on a substantive motion may be directed, and judgment may be awarded in accordance with the writ as amended.

(4) Where a counter-claim is set up, regard shall be had to rule 118. R.R.O. 1960, Reg. 396, r. 57.

58. Where the defence disclosed applies only to a part of the plaintiff's claim, or any part of his claim is admitted to be due, the plaintiff shall have judgment forthwith for such part of his claim as the defence does not apply to, or as is admitted to be due, subject to such terms, if any, as to suspending execution or payment into court as seem just, and the defendant may be allowed to defend as to the residue of the plaintiff's claim, or a reference may be directed under rule 61. R.R.O. 1960, Reg. 396, r. 58.

59. Judgment may be awarded and execution issued against any defendant without prejudice to the plaintiff's right to proceed against any other defendant. R.R.O. 1960, Reg. 396, r. 59.

60. On any such motion, an order may be made giving the defendant leave to defend either unconditionally or subject to such terms as seem just, or for a speedy trial of the action with or without pleadings upon such terms as are deemed proper. R.R.O. 1960, Reg. 396, r. 60.

61. On any such motion, if it appears that the defence disclosed is substantially only as to the amount recoverable, the court may direct a reference, and either pronounce judgment to take effect on the confirmation of the report, or reserve further directions and questions of costs for consideration after the report is made. R.R.O. 1960, Reg. 396, r. 61; O. Reg. 162/62, s. 4.

62. Where a writ is specially endorsed and some special reason for urgency is shown, the plaintiff may, at any time, by leave, serve notice of motion for judgment and such leave may be given *ex parte* and subject to such directions as to the service of the notice of motion and filing and service of the affidavits and otherwise as seem just. R.R.O. 1960, Reg. 396, r. 62.

63. In default of appearance where the plaintiff's claim is for an account, the plaintiff may apply for a judgment for the taking of the account claimed, with all directions usual in similar cases. R.R.O. 1960, Reg. 396, r. 63.

64. Where the plaintiff's claim is for an account and appearance is entered, the plaintiff may move for judgment without pleading, and, unless the defendant satisfies the court that there is some preliminary question to be tried, the appropriate judgment shall be pronounced. R.R.O. 1960, Reg. 396, r. 64.

65. The court may, at any stage of the proceedings in a cause or matter, direct any necessary inquiries or accounts to be made or taken, notwithstanding that some special or further relief is sought, or some issue is to be tried, as to which it may be proper that the cause or matter should proceed in the ordinary manner. R.R.O. 1960, Reg. 396, r. 65.

PARTIES AND JOINDER OF CAUSES OF ACTION

Generally

66. All persons may be joined in an action as plaintiffs in whom any right to relief in respect of or arising out of the same transaction or occurrence, or series of transactions or occurrences, is alleged to exist, whether jointly, severally or in the alternative, where if such persons brought separate actions any common question of law or fact would arise; but, if, upon the application of a defendant, it appears that such joinder may embarrass or delay the trial

of the action, the court may order separate trials, or make such other order as may be expedient; and, without any amendment, judgment may be given for such one or more of the plaintiffs as may be found entitled to relief, for such relief as he or they may be entitled to, but the defendant, though unsuccessful, is entitled to his costs occasioned by joining any person who is not found entitled to relief, unless the court otherwise orders. R.R.O. 1960, Reg. 396, r. 66.

67. Where the plaintiff claims that the same transaction or occurrence, or series of transactions or occurrences, give him a cause of action against one or more persons, or, where he is in doubt as to the person from whom he is entitled to redress, he may join as defendants all persons against whom he claims any right to relief, whether jointly, severally or in the alternative, and judgment may be given against one or more of the defendants according to their respective liabilities, but the court may order separate trials or make such other order as is deemed expedient if such joinder is deemed oppressive or unfair. R.R.O. 1960, Reg. 396, r. 67.

68. It is not necessary that every defendant to an action be interested as to all the relief claimed, or as to every cause of action included therein. R.R.O. 1960, Reg. 396, r. 68.

69. A plaintiff may unite, in the same action, several causes of action. R.R.O. 1960, Reg. 396, r. 69.

70. A claim by or against husband and wife may be joined with a claim by or against either of them separately. R.R.O. 1960, Reg. 396, r. 70.

71. A claim by or against an executor or administrator may be joined with a claim by or against him personally if the last mentioned claim is alleged to have arisen with reference to the estate represented by him in the action. R.R.O. 1960, Reg. 396, r. 71.

72. A claim by plaintiffs jointly may be joined with a claim by them or any of them separately against the same defendant. R.R.O. 1960, Reg. 396, r. 72.

73. If several causes of action joined in the same action are such as cannot be conveniently disposed of in one action, the court may order any of them to be excluded, or may direct the issues respecting the separate causes of action to be tried separately. R.R.O. 1960, Reg. 396, r. 73.

74.—(1) Trustees, executors and administrators may sue and be sued on behalf of, or as representing, the property or estate of which they are trustees or representatives, without joining any of the persons beneficially interested, and shall represent them; but the court may at any time order any of them to be made parties in addition to, or in lieu of, the previous parties.

(2) This rule applies to an action to enforce a security by foreclosure or otherwise. R.R.O. 1960, Reg. 396, r. 74.

NOTE: *As to parties to mortgage actions where no personal representative, see R.S.O. 1970, c. 129, s. 9.*

75. Where there are numerous persons having the same interest, one or more may sue or be sued or may be authorized by the court to defend on behalf of, or for the benefit of, all. R.R.O. 1960, Reg. 396, r. 75.

76. Where the right of an heir at law or of the next of kin, or of a class, or of an unborn person, depends upon the construction of an instrument, and it is not known or is difficult to ascertain who is such heir at law or next of kin or class, and the court deems it convenient to have the question determined before the heir at law, next of kin or class in question is ascertained, or before the birth of any unborn person, the court may appoint some person to represent the heir at law, next of kin or class, or unborn person, and the judgment of the court is binding upon the person or class or unborn person so represented. R.R.O. 1960, Reg. 396, r. 76.

77. The court may appoint some person to represent, for the purposes of any action or proceeding, the interest of any person or class, who may be not ascertained or who may be unborn, and the judgment of the court is binding upon the person or class so represented. R.R.O. 1960, Reg. 396, r. 77.

78. In any proceedings under *The Variation of Trusts Act*, the court may appoint some person to represent the interest of any person or class which may be affected thereby. R.R.O. 1960, Reg. 396, r. 78.

79. Where in a proceeding concerning a trust a compromise is proposed and some of the persons interested in the compromise are not parties to the proceeding, but there are other persons in the same interest before the court and assenting to the compromise, the court, if satisfied that the compromise will be for the benefit of the absent persons and that to require service on them would cause unreasonable expense or delay, may approve the compromise and order that the same shall be binding on the absent persons, and they are bound accordingly, except where the order has been obtained by fraud or non-disclosure of material facts. R.R.O. 1960, Reg. 396, r. 79.

80. A residuary legatee or next of kin may have a judgment for the administration of the personal estate of a deceased person without serving the other residuary legatees or next of kin. R.R.O. 1960, Reg. 396, r. 80.

81. A legatee interested in a legacy charged upon real estate or a person interested in the proceeds of real estate directed to be sold may have a judgment for the administration of the estate of a deceased person without serving any other legatee or person interested in the proceeds. R.R.O. 1960, Reg. 396, r. 81.

82. A residuary devisee or heir may have the like judgment without serving any other residuary devisee or heir. R.R.O. 1960, Reg. 396, r. 82.

86. The court may require any other person to be made a party to an action to which rules 80 to 85 apply, and may give the conduct of the action to such party as it deems proper, and may make such order as it deems just for placing the plaintiff on the record on the same footing in regard to costs as other persons having a common interest with him in the matter in question. R.R.O. 1960, Reg. 396, r. 86.

87. Where a reference is directed, the persons who, but for rules 80 to 85, would have been necessary parties shall be served with an office copy of the judgment (unless the court or Master dispenses with such service) endorsed with a notice according to Form 43, and after such service they are bound by the proceedings in the same manner as if they had been originally made parties; and, upon notice to the plaintiff, they may at their own risk as to costs require notice to be given them to enable them to attend the proceedings under the judgment, and any person so served may apply to the court to add to, vary or set aside the judgment within ten days from the date of such service. R.R.O. 1960, Reg. 396, r. 87.

88. In administration proceedings, no person, other than the executor or administrator, is, unless by leave, entitled to appear on the claim of any person against the estate of the deceased. R.R.O. 1960, Reg. 396, r. 88.

90. The court, if it thinks fit, may pronounce a judgment saving the rights of all persons not parties. R.R.O. 1960, Reg. 396, r. 90.

91. Where it appears that a deceased person who was interested in the matters in question has no personal representative, the court may either proceed in the absence of any person representing his estate or may, on such notice as seems proper, appoint some person to represent the estate for all the purposes of the action or other proceeding, notwithstanding that the estate in question may have a substantial interest in the matters, or that there may be active duties to be performed by the person so appointed, or that he may represent interests adverse to the plaintiff, or that administration of the estate whereof representation is sought is claimed; and the order so made and any orders consequent thereon bind the estate of such deceased person in the same manner as if a duly appointed personal representative of such person had been a party to the action or proceeding. R.R.O. 1960, Reg. 396, r. 91.

Infants and Mentally Incompetent Persons

92.—(1) An infant may sue or counterclaim by his next friend, and may defend by his guardian appointed for that purpose or by the Official Guardian, as the case may be.

(2) Where the Official Guardian is guardian *ad litem* for an infant, he may act as next friend for the purpose of asserting a counterclaim on behalf of the infant. R.R.O. 1960, Reg. 396, r. 92.

93. Where an infant defendant is not represented by the Official Guardian, a guardian may be appointed for him by the court. R.R.O. 1960, Reg. 396, r. 93.

94. Where the appointment of a guardian, other than the Official Guardian, to defend an action or matter is desired, the court may appoint a guardian for that purpose upon being satisfied by affidavit that the proposed guardian is a fit and proper person and has no adverse interest; and the court may examine the proposed guardian or the person making the affidavit, *viva voce*, or require further evidence to be adduced until satisfied of the propriety of the appointment. R.R.O. 1960, Reg. 396, r. 94.

95. A mentally incompetent person not so found by inquisition or judicial declaration may sue by his next friend and may defend by his guardian. R.R.O. 1960, Reg. 396, r. 95.

96.—(1) Where no appearance has been entered to a writ of summons for a defendant who is a mentally incompetent person not so found, the plaintiff may apply for an order that a guardian of such defendant be appointed, by whom he may appear and defend.

(2) No such order shall be made unless it appears that the writ was duly served and that notice of the application was, after the expiration of the time allowed for appearance and at least six clear days before the day in the notice named for hearing the application, served upon or left at the dwelling-house of the person with whom the defendant resides or under whose care he is at the time of serving such notice.

(3) The Official Guardian shall be appointed, unless for good reason it is otherwise directed.

(4) Where the mentally incompetent person is confined in a psychiatric facility as defined by *The Mental Health Act*, the Public Trustee shall be appointed unless otherwise ordered. R.R.O. 1960, Reg. 396, r. 96; O. Reg. 189/69, s. 1.

99. A person who has been declared incapable under section 39 of *The Mental Incompetency Act* shall be represented by a person who is authorized under that Act. R.R.O. 1960, Reg. 396, r. 99.

100. Unless otherwise ordered, before the name of a person is used as next friend or as relator, such person shall sign a written authority to the solicitor for that purpose, and the authority shall be filed in the office in which the cause or matter is commenced. R.R.O. 1960, Reg. 396, r. 100.

101. An action against a mentally incompetent person confined in a public hospital may be stayed upon an application made by the Public Trustee if it appears to the judge that the stay will work no injustice and will tend to facilitate the advantageous realization of the mentally incompetent person's estate. R.R.O. 1960, Reg. 396, r. 101.

Partners, etc.

102. Any two or more persons, whether British subjects or not and whether residing within or out of Ontario, claiming or being liable as partners and carrying on business within Ontario at the time of the accruing of the cause of action may sue or be sued in the name of the firm of which such persons were co-partners. R.R.O. 1960, Reg. 396, r. 102; O. Reg. 249/68, s. 3.

103. Where persons are sued as partners in the name of the firm, the writ shall be served either upon any one or more of the partners, or at the principal place within Ontario of the business of the partnership, upon any person having the control or management of the partnership business there; and such service shall be deemed good service upon the firm whether any of the members thereof are out of Ontario or not, but, in the case of a partnership that has been dissolved to the knowledge of the plaintiff before action, the writ of summons shall be served upon every person within Ontario sought to be made liable, and every person so served shall be informed by notice in writing given at the time of service whether he is served as a partner or as a person having the control or management of the partnership business, or in both characters, and in default of such notice the person served shall be deemed to be served as a partner. R.R.O. 1960, Reg. 396, r. 103.

104. Persons sued as partners in the name of the firm shall appear individually in their own names, but all subsequent proceedings shall continue in the name of the firm. R.R.O. 1960, Reg. 396, r. 104.

105. Where a writ is served upon a person as the person having the control or management of the partnership business, an appearance by him is not necessary unless he is a member of the firm. R.R.O. 1960, Reg. 396, r. 105.

106. A person served as a partner may,

(*a*) enter an appearance under protest, denying that he is a partner, but such appearance does not preclude the plaintiff from otherwise serving the firm and obtaining judgment against the firm in default of appearance if no partner has entered an appearance in the ordinary form; or

(*b*) enter an appearance not only denying that he is a partner but also disputing the plaintiff's claim. R.R.O. 1960, Reg. 396, r. 106.

107.—(1) Where a judgment or order is obtained against a firm, execution may issue against the property of,

(*b*) any person who has by his appearance or notice under rule 14 or pleading admitted that he is or who has been adjudged to be a partner;

(*c*) any person who has been served as a partner with the writ of summons and has failed to appear.

(2) If the party who has obtained the judgment or order claims to be entitled to issue execution against any other person as being a member of the firm, he may apply for leave so to do, and the court

may give such leave if the liability be not disputed, or, if disputed, after such liability has been determined in such manner as the court directs. R.R.O. 1960, Reg. 396, r. 107.

108. A judgment against a firm in the firm name does not release, render liable or affect any member thereof who was out of Ontario when the writ was issued and who has not appeared thereto, unless he has been served either within Ontario or in accordance with the rules respecting service out of Ontario, but this rule does not prevent the enforcement of the judgment against partnership property. R.R.O. 1960, Reg. 396, r. 108.

109. Rules 102 to 108 apply to actions between a firm and one or more of the members and to actions between firms having one or more members in common, if the firm or firms carry on business within Ontario, but execution shall not issue in such actions without leave, and, on application for leave, all such accounts and inquiries may be ordered and directions given as seem just. R.R.O. 1960, Reg. 396, r. 109.

110.—(1) Any person, whether a British subject or not, and whether residing within or out of Ontario, carrying on business within Ontario in a name or style other than his own name may be sued in such name or style.

(2) The writ may be served upon the person so carrying on the business if he be within Ontario, or at the place of business within Ontario (or if there are several such places, at the place within the county in which the cause of action arose), upon any person having the control or management of the business there.

(3) The person upon whom the writ is served shall be informed by notice in writing, given at the time of service, whether he is served as the person carrying on the business or as a person having the control or management of it, and in default of such notice he shall be deemed to be served as the person carrying on the business.

(4) The person so sued shall appear in his own name, but all subsequent proceedings shall continue in such name or style.

(5) A person served as the person carrying on the business may enter an appearance under protest denying that he is the person so carrying on the business, but such appearance does not preclude the plaintiff from otherwise serving the person sued or from obtaining judgment in default of appearance in the ordinary form by the person so sued.

(6) Any judgment or order in the action may be enforced by execution against,

(*a*) the property of the person so sued, used or employed in or in connection with the business;

(*b*) any property of a person who by his appearance or by notice under rule 14 has admitted that he is or has been adjudged to be the person carrying on the business, or has been served with the writ as the person carrying on the business and has failed to appear.

(7) Where judgment has been signed for default of appearance and the writ has not been personally served upon the person whom the plaintiff alleges to be carrying on the business, the court may give leave to issue execution against such person if his liability be not disputed, or, if disputed, after it has been determined in such manner as the court directs. R.R.O. 1960, Reg. 396, r. 110.

PLEADINGS

General Provisions

111.—(1) The plaintiff shall state the nature of his claim and the relief sought in a pleading to be called the "statement of claim" and may therein alter, modify or extend his claim as endorsed upon the writ.

R.R.O. 1960, Reg. 396, r. 111.

NOTE: *In all actions proceeding to trial, pleadings are necessary, even though the writ has been specially endorsed and an affidavit of merits has been filed, unless an order has been made under rule 60 for a trial without pleadings.*

112. The plaintiff shall deliver his statement of claim within one month from the entering of appearance or at any time before appearance, and, where there is more than one defendant, the statement of claim shall be delivered within a month from the last appearance or from the time when the last appearance should have been entered. Where a defendant sets up a counter-claim which raises questions between himself and the plaintiff and any other person, he shall add a second style of cause in which he is described as "Plaintiff by Counter-claim" and the plaintiff and such other person are described as "Defendants by Counter-claim", and shall deliver his counter-claim to such of them as are parties to the action within

the period limited for the defence and shall serve the same upon such of them as are not parties to the action together with a summons according to Form 26, issued from the proper office and a copy of the statement of claim within thirty days of the issue of the summons. R.R.O. 1960, Reg. 396, r. 14; O. Reg. 156/68, s. 4.

118. Where a defendant does not dispute the plaintiff's claim but sets up a counter-claim, the court may stay proceedings respecting the claim until the counter-claim is disposed of. R.R.O. 1960, Reg. 396, r. 118.

123. Where a party makes default in delivering a statement of defence to the statement of claim or to the counter-claim within the time limited therefor in cases where judgment cannot be signed, the opposite party may, upon proof of the default, by *praecipe* to the officer with whom the pleadings are filed, require him to note the default, and thereafter no pleading by the party in default shall be received or filed without the leave of the court but, until default is so noted, the party in default may file his pleading. R.R.O. 1960, Reg. 396, r. 123.

124. Either party is entitled to raise by his pleadings any point of law, and by consent of the parties or by leave of a judge, the point of law may be set down for hearing at any time before the trial, otherwise it shall be disposed of at the trial. R.R.O. 1960, Reg. 396, r. 124.

125. Upon the determination of the point of law, the court may pronounce such judgment as is deemed proper. R.R.O. 1960, Reg. 396, r. 125.

126. A judge may order any pleading to be struck out on the ground that it discloses no reasonable cause of action or answer, and in any such case, or in case of the action or defence being shown to be frivolous or vexatious, may order the action to be stayed or dismissed, or judgment to be entered accordingly. R.R.O. 1960, Reg. 396, r. 126.

Where an issue is directed to be tried, it shall, if the parties differ, be settled in chambers, and as soon as it is settled, it shall be filed in the office in which the proceedings are carried on, and thereafter the proceedings in the issue shall be carried on in the same manner as the proceedings in an action. R.R.O. 1960, Reg. 396, r. 127.

128.—(1) The parties to any cause may concur in stating questions of law arising in the form of a special case for the opinion of the court and may agree that, on the judgment of the court being given in the affirmative or negative to the question or questions of law raised, certain specific relief may be awarded.

(2) Upon the argument of the case, the entire contents of the documents referred to therein may be read, and the court may draw from the facts and documents any inference, either of fact or law, as at a trial. R.R.O. 1960, Reg. 396, r. 128.

129. A plaintiff may, without leave, amend his statement of claim, including a claim specially endorsed on the writ, once, either before the statement of defence has been delivered, or after it has been delivered and before the expiration of the time limited for reply, and before replying. R.R.O. 1960, Reg. 396, r. 129.

130. Where a plaintiff has amended his statement of claim, the opposite party shall plead thereto or amend his pleading within the time he then has to plead, or within ten days from the delivery of the amendment, whichever last expires, and, in case the opposite party has pleaded before the delivery of the amendment and does not plead again or amend within the time above mentioned, he shall be deemed to rely on his original pleading in answer to such amendment. 134. A pleading may be amended by written alterations in the copies filed and served and by additions on paper to be interleaved therewith if necessary, unless the amendments are so numerous or of such a nature that making them in the copies filed and served would render them difficult or inconvenient to read, in either of which cases the amendment shall be made by delivering a fresh copy of the pleading as amended. R.R.O. 1960, Reg. 396, r. 134.

135. Where a pleading is amended, a memorandum shall be made in the margin stating the date of and authority for the amendment, and the amendment shall be written or underlined in ink of a different colour from that used in the original pleading. R.R.O. 1960, Reg. 396, r. 135.

136.—(1) The court may, at any stage of the proceedings, order that the name of a plaintiff or defendant improperly joined be struck out, and that any person who ought to have been joined, or whose presence is necessary in order to enable the court effectually and completely to adjudicate upon the questions involved in the action, be added or, where an action has through a *bona fide* mistake been commenced in the name of the wrong person as plaintiff or where it is doubtful whether it has been commenced in the name of the right plaintiff, the court may order any person to be substituted or added as plaintiff.

(2) No person shall be added or substituted as a plaintiff or as the next friend of a plaintiff without his own consent in writing thereto being filed.

(3) Parties added or substituted as defendants shall, unless otherwise ordered, be served with the amended writ of summons, and the proceedings as against them shall be deemed to have begun only at the time when they are added. R.R.O. 1960, Reg. 396, r. 136.

137. If a statement of claim has been delivered previously to a defendant being added, it shall be amended in such manner as the making of the new defendant a party may render desirable, and a copy of the amended statement of claim shall also be served on the new defendant. R.R.O. 1960, Reg. 396, r. 137.

138. The court may order that any pleading, petition or affidavit, or any part of a pleading, petition or affidavit, which is scandalous, be taken off the file, or may direct the scandalous matter to be expunged. R.R.O. 1960, Reg. 396, r. 138.

139. Any pleading that may tend to prejudice, embarrass or delay the fair trial of the action may be struck out or amended. R.R.O. 1960, Reg. 396, r. 139.

140. A further and better statement of the nature of the claim or defence or further and better particulars of any matter stated in any pleading or special endorsement may be ordered in all cases (Form 71). R.R.O. 1960, Reg. 396, r. 140.

GENERAL RULES OF PLEADING

141. Every writ, pleading or other document may be printed, typewritten or written in whole or in part. R.R.O. 1960, Reg. 396, r. 141.

142. Every pleading shall be filed, and served upon all parties concerned therewith, and shall be marked on the face with the date of filing, and with the title of the action, the description of the pleading, and the name and place of business of the solicitor of the party filing it, or the name and address of the party filing it if he does not act by a solicitor. R.R.O. 1960, Reg. 396, r. 142; O. Reg. 242/67, s. 5.

143. Pleadings shall contain a concise statement of the material facts upon which the party pleading relies, but not the evidence by which they are to be proved, and dates, sums and numbers shall be expressed in figures. R.R.O. 1960, Reg. 396, r. 143.

144. Each party shall admit such of the material allegations contained in the pleading of the opposite party as are true, and a defendant shall not deny generally the allegations contained in the statement of claim but shall set forth the facts upon which he relies even though this may involve the assertion of a negative. R.R.O. 1960, Reg. 396, r. 144.

145. A defendant to an action or counter-claim shall raise all matters that show the action or counter-claim not to be maintainable, or that the transaction is either void or voidable in point of law, and all such grounds of defence as if not raised would be likely to take the opposite party by surprise, or would raise issues of fact not arising out of the preceding pleadings, as, for instance, fraud, *The Limitations Act*, release, payment, performance, facts showing illegality either by statute or common law, or *The Statute of Frauds*. R.R.O. 1960, Reg. 396, r. 145; O. Reg. 162/62, s. 5.

146. Except as otherwise provided, the silence of a pleading as to any allegation contained in the previous pleading of the opposite party shall not be construed as an admission of the truth of such allegation. R.R.O. 1960, Reg. 396, r. 146.

147. Every statement of claim and counter-claim shall state specifically the relief claimed, either simply or in the alternative, and may also ask for

general relief, and, when damages are claimed, the amount shall be named. R.R.O. 1960, Reg. 396, r. 147.

148. Any condition precedent, the performance or occurrence of which is intended to be contested, shall be distinctly specified in his pleading by the party relying thereon, and an averment of the performance or occurrence of all conditions precedent necessary for the case by the plaintiff or defendant shall be implied in his pleading. R.R.O. 1960, Reg. 396, r. 148.

149. Where the contents of any document are material, it is sufficient in any pleading to state the effect thereof as briefly as possible, without setting out the whole or any part thereof. R.R.O. 1960, Reg. 396, r. 149.

150. Where it is material to allege malice, fraudulent intention, knowledge or other condition of the mind of any person, it is sufficient to allege the same as a fact, without setting out the circumstances from which the same is to be inferred. R.R.O. 1960, Reg. 396, r. 150.

151. Where it is material to allege notice to a person of any fact, matter or thing, it is sufficient to allege such notice as a fact unless the form or precise terms of the notice is or are material. R.R.O. 1960, Reg. 396, r. 151.

152. Where a contract or relation between persons does not arise from an express agreement, but it is to be implied from a series of letters or conversations, or otherwise from a number of circumstances, it is sufficient to allege the contract or relation as a fact. R.R.O. 1960, Reg. 396, r. 152.

153. Neither party need in any pleading allege any matter of fact that the law presumes in his favour, or as to which the burden of proof lies upon the other side (*e.g., consideration for a bill of exchange*). R.R.O. 1960, Reg. 396, r. 153.

154. If either party wishes to deny the alleged constitution of a partnership, or the right of any other party to claim as executor, or as trustee, or as assignee in insolvency, or in any representative or other alleged capacity, he shall deny the same specifically, or the same will be taken to be admitted. R.R.O. 1960, Reg. 396, r. 154.

155. Unless the incorporation of a corporate party is specifically denied, it is not necessary to prove it. R.R.O. 1960, Reg. 396, r. 155.

156. Where a contract is alleged, a denial of the contract shall be construed only as a denial of the making of the contract in fact, and not of its legality or its sufficiency in law, whether with reference to *The Statute of Frauds* or otherwise. R.R.O. 1960, Reg. 396, r. 156.

157. A defendant in an action for the recovery of land who is in possession by himself or his tenant need not plead his title, unless his defence depends on an equitable estate or right, or he claims relief upon any equitable ground against any right or title asserted by the plaintiff, but, except in the cases hereinbefore mentioned, it is sufficient to state by way of defence that he is so in possession, and he may rely upon any ground of defence that he can prove. R.R.O. 1960, Reg. 396, r. 157.

158. Where a defendant by virtue of any statute enabling him so to do pleads not guilty by statute, he shall in his defence refer to the statute giving the right so to plead, and also to all statutes upon which he relies, giving chapter and section in every such reference, and, if so required, shall deliver particulars of his defence. R.R.O. 1960, Reg. 396, r. 158.

159. A subsequent pleading shall not raise any new ground of claim or contain any allegation of fact inconsistent with the previous pleadings of the party pleading the same. R.R.O. 1960, Reg. 396, r. 159.

160. In actions for libel or slander in which the defendant does not by his defence assert the truth of the statement complained of, he is not entitled on the trial without the leave of the presiding judge to give evidence in chief, with a view to mitigation of damages, as to the circumstances under which the libel or slander was published or as to the character of the plaintiff, unless in his pleading or by notice given seven days at least before the trial he furnishes particulars in writing to the plaintiff of the matters as to which he intends to give evidence. R.R.O. 1960, Reg. 396, r. 160.

161. A ground of defence or counter-claim that has arisen after action but before the defendant has delivered his statement of defence may be pleaded either alone or with other grounds of defence. R.R.O. 1960, Reg. 396, r. 161.

162. If, after a counter-claim has been delivered, a ground of defence thereto arises it may be pleaded in answer thereto. R.R.O. 1960, Reg. 396, r. 162.

163. Where a ground of defence or counter-claim arises after the delivery of the statement of defence or counter-claim, the defendant may, within ten days after such ground of defence or counter-claim has arisen, deliver a further defence or counter-claim, setting forth the same, or introduce the same by amendment into his statement of defence or counter-claim. R.R.O. 1960, Reg. 396, r. 163.

164. Where a ground of defence to a counter-claim arises after the delivery of the defence thereto, the defendant to the counter-claim may, within ten days after such ground of defence has

arisen, deliver a further pleading setting forth the same, or may set up such new ground of defence by amendment. R.R.O. 1960, Reg. 396, r. 164.

165. Any such amendment may be made on *praecipe*. R.R.O. 1960, Reg. 396, r. 165.

166. Where a defendant pleads any ground of defence or counter-claim that has arisen after the commencement of the action, the plaintiff may deliver a confession of such defence, and he may thereupon sign judgment for his costs up to the time of the pleading of such defence unless otherwise ordered (Forms 29 and 101). R.R.O. 1960, Reg. 396, r. 166.

171. Where the third party enters an appearance and delivers a statement of defence to the third party notice he may also, if so advised, deliver a statement of defence to the plaintiff's statement of claim, to be so entitled, raising therein any defence open to the defendant which has not been raised by the defendant in his statement of defence, and the plaintiff shall thereupon be at liberty to deliver a reply to such statement of defence within ten days after service thereof, and such pleadings between the plaintiff and the third party shall be included in and form part of the record in the action. 171*b*.—(1) After the close of pleadings in the third party issue the defendant or third party shall set the third party issue down for trial at the same sitting of the court for which the action between the plaintiff and defendant was set down, irrespective of the date of the commencement of such sittings.

308. Where tender before action is pleaded, the sum alleged to have been tendered shall be paid forthwith into court. R.R.O. 1960, Reg. 396, r. 308.

Where the defendant does not allege tender before action and the plaintiff takes the money in satisfaction of all the causes of action, he may tax his costs of the action on the scale of fees for the court appropriate to the amount taken, but without set-off, and issue execution therefor, unless the defendant pays them within forty-eight hours after taxation. R.R.O. 1960, Reg. 396, r. 312; O. Reg. 207/66, s. 6.

313. R.R.O. 1960, Reg. 396, r. 313.

315. Where moneys have been accepted pursuant to rule 311, all further proceedings in the action or in respect of the specified claim, cause or causes of action, as the case may be, shall be stayed and the money shall not be paid out except in pursuance of an order of a judge, or upon the consent of all parties verified by an affidavit of the plaintiff or his solicitor showing that the plaintiff is *sui juris* and personally entitled to the money. R.R.O. 1960, Reg. 396, r. 315.

316.—(1) Where money is paid into court and the plaintiff does not accept, in satisfaction of the claim or cause of action in respect of which the payment into court has been made, the sum so paid in, but proceeds with the action in respect of such claim or cause of action, the money shall remain in court and shall not be paid out except in pursuance of an order of a judge or upon the consent of all parties verified as provided in rule 315.

(2) If the plaintiff proceeds with the action in respect of such claim or cause of action, or any part thereof, and recovers less than the amount paid into court, the amount paid in shall be applied, so far as is necessary, in satisfaction of the plaintiff's claim, and the balance, if any, shall be repaid to the defendant, but, if the defendant succeeds in respect of such claim or cause of action, the whole amount shall be repaid to him. R.R.O. 1960, Reg. 396, r. 316.

317. Except in an action to which a defence of tender before action is pleaded or in which a payment is made under *The Libel and Slander Act*, no statement of the fact that money has been paid into court under the preceding rules shall be inserted in the pleadings, and no communication of that fact shall at the trial of any action be made to the judge or jury until all questions of liability and amount of debt or damages have been decided, but the judge shall, in exercising his discretion as to costs, take into account the fact that the money has been paid into court, the amount of such payment and whether liability has been admitted or denied. R.R.O. 1960, Reg. 396, r. 317.

318. Any defendant to a counter-claim may pay money into court in respect thereof and the foregoing rules apply *mutatis mutandis* to the money so paid in. R.R.O. 1960, Reg. 396, r. 318.

(2) A plaintiff may discontinue as to one or more of several defendants.

(3) Such costs may be taxed upon production of the notice served, and, if not paid within four days from taxation, the defendant may issue execution therefor.

O. Reg. 417/70, s. 1.

325.—(1) Where an action has been discontinued or dismissed for want of prosecution, a defendant who has counter-claimed may, if he so elects, proceed with the trial of his counter-claim, and, if he elects to proceed, he shall give notice of his election within ten days after the discontinuance or dismissal of the action, and the counter-claim is then liable to dismissal for want of prosecution for failure to proceed to trial, or the defendant may, if he so elects, discontinue his counter-claim in whole or in part, and the defendant by counter-claim is then entitled to the costs of the counter-claim, if wholly discontinued, or, if not wholly discontinued, to the costs occasioned by the part withdrawn, and subrules 2, 3 and 4 of rule 320 apply *mutatis mutandis*.

(2) In default of such election, the counter-claim shall on the discontinuance of the action be deemed to be discontinued without costs or on the dismissal of the action be deemed to be dismissed without costs. R.R.O. 1960, Reg. 396, r. 325.

347. Each party, after the defence is delivered or an issue has been filed, may by notice require the other within ten days to make discovery on oath of the documents that are or have been in his possession or power relating to any matters in question in the action, and to produce and deposit them with the proper officer for the usual purposes and a copy of such affidavit shall be served forthwith after filing. R.R.O. 1960, Reg. 396, r. 347.

348. The court may at any time order production and inspection of documents generally or of any particular document in the possession of any party, and, if privilege is claimed for any document, may inspect the document to determine the vailidity of such claim. R.R.O. 1960, Reg. 396, r. 348.

349. Where a document is in the possession of a person not a party to the action and the production of such document at a trial might be compelled, the court may at the instance of any party, on notice to such person and to the opposite party, direct the production and inspection thereof, and may give directions respecting the preparation of a certified copy that may be used for all purposes in lieu of the original. 351. If the party from whom discovery of any kind or inspection is sought objects to the same, or any part thereof, the court, if satisfied that the right to the discovery or inspection sought depends on the determination of any issue or question in dispute in the action, or that for any other reason it is desirable that any issue or question in dispute should be determined before deciding upon the right to the discovery or inspection, may order that such issue or question be determined first, and reserve the question as to the discovery or inspection. R.R.O. 1960, Reg. 396, r. 351.

352.—(1) If a party fails to comply with any notice or order for production or inspection of documents, he is liable to attachment and is also liable, if a plaintiff, to have his action dismissed, and, if a defendant, to have his defence, if any, struck out.

355.—(1) In any other case, the plaintiff may after the pleadings have been noted as closed move for judgment upon the statement of claim.

356. Except by leave, a judgment for default of appearance or defence shall not be signed, nor shall pleadings be noted closed nor shall an action be set down on motion for judgment for default, after the expiration of one year from the time

when the party to sign the judgment or note the pleadings or to move for judgment first became entitled so to do. R.R.O. 1960, Reg. 396, r. 356.

357. Where issues arise otherwise than between plaintiff and defendant and if any party to any such issue makes default in delivering any pleading, the court may, at the trial or on motion, give such judgment as upon the pleadings seems just. R.R.O. 1960, Reg. 396, r. 357.

358. In a matrimonial cause or in an action to declare the invalidity of a marriage, a judgment shall not be given except after trial. R.R.O. 1960, Reg. 396, r. 358.

Replevin

359. An order of replevin may be obtained,

(*a*) on motion therefor, on showing the facts of the wrongful taking or detention complained of, the value and description of the property, and that the person claiming the property is the owner thereof or is lawfully entitled to the possession thereof;

(*b*) on *praecipe*, if the person claiming the property, his servant or agent, makes an affidavit stating,

(i) that the person claiming the property is the owner or lawfully entitled to the possession thereof,

(ii) the value thereof,

(iii) that the property was wrongfully taken out of the possession of the claimant, or fraudulently got out of his possession, within two months next before the making of the affidavit,

(iv) that the deponent is advised and believes that the claimant is entitled to the order, and

(v) that there is good reason to apprehend that, unless the order is issued without waiting for a motion, the delay would materially prejudice the just rights of the claimant with respect to the property;

(*c*) on *praecipe*, if the property was distrained for rent or damage feasant and the person claiming the property, his servant or agent, makes an affidavit stating,

(i) that the person claiming the property is the owner or is lawfully entitled to the possession thereof (describing the property),

(ii) the value thereof, and

(iii) that the property was taken under colour of a distress for rent or damage feasant,

and in such case the order shall state that the defendant has taken and unjustly detains the property under colour of a distress for rent or damage feasant, as the case may be (Form 86). R.R.O. 1960, Reg. 396, r. 359.

360. The motion shall be on notice to the defendant, unless the special circumstances of the case in the opinion of the court justify the making of an *ex parte* order, and the court, instead of granting or refusing the order, may direct the sheriff to take a bond in less or more than treble the value of the property, or may direct him, in addition to taking a bond pursuant to rule 362, to take and detain the property until the further order of the court, instead of at once replevying the property to the plaintiff, or may order that the plaintiff, instead of giving a bond, be at liberty to pay into court to the credit of the action, subject to further order, such sum as is proper to stand as security to the defendant in the same manner and to the same extent as any bond that the plaintiff would otherwise be required to give to the sheriff. R.R.O. 1960, Reg. 396, r. 360.

361. The defendant may apply to the court to discharge, vary or modify the order, or to stay proceedings thereunder, or for any other relief with respect to the return, safety or sale of the property or any part thereof or otherwise. R.R.O. 1960, Reg. 396, r. 361.

362.—(1) Before the sheriff acts on the order, he shall take a bond (Form 139) from the plaintiff with two sufficient sureties in such sum as is prescribed by the order, or, if no special provision has been made, then in treble the value of the property as stated in the order of replevin.

(2) The plaintiff may, instead of giving a bond, pay into court twice the value of the goods as stated in the order, and the sheriff may act upon a certificate of the Accountant that the money has been paid. R.R.O. 1960, Reg. 396, r. 362.

363. Where an order of replevin is issued for any property that had not been previously taken out of the plaintiff's possession and for which the plaintiff might bring an action for conversion, the defendant is entitled, if the plaintiff fails in the action, to be fully indemnified against all damages sustained by the defendant, including any extra costs that he may incur in defending the action, and the bond shall be conditioned so as to require the plaintiff and the sureties to indemnify and save harmless the defendant from all loss and damage that he may sustain by reason of the seizure and

of any deterioration of the property in the meantime, in the event of its being returned, and all costs, charges and expenses that the defendant may incur, including reasonable costs not taxable between party and party, but this provision shall not be required in cases of distress for rent or damage feasant. R.R.O. 1960, Reg. 396, r. 363.

364. The sheriff shall not serve a copy of the writ of summons or order until he has replevied the property, or some part thereof if he cannot replevy the whole. R.R.O. 1960, Reg. 396, r. 364.

365. Where the order is issued on *praecipe* under clause *b* of rule 359, the sheriff shall take and detain the property, and shall not replevy it to the plaintiff without the order of the court, but may, after seven days from the time of taking it, redeliver it to the defendant, unless in the meantime the plaintiff obtains and serves on the sheriff an order directing a different disposition of the property. R.R.O. 1960, Reg. 396, r. 365.

366. The sheriff shall return the order on or before the tenth day after the service thereof, and shall transmit annexed thereto,

(*a*) the names of the sureties in, and the date of the bond taken from the plaintiff, and the name or names of the witnesses thereto;

(*b*) the place of residence and addition of the sureties;

(*c*) the number, quantity and quality of the articles of property replevied, and, in case he has replevied only a portion of the property and cannot replevy the residence by reason of its having been eloigned out of his county, or not being in the possession of the defendant or of any other person for him, he shall state in his return the articles that he cannot replevy and the reason therefor. R.R.O. 1960, Reg. 396, r. 366.

425. In giving directions and in regulating the manner of proceeding before him, the Master shall devise and adopt the simplest, most speedy and least expensive method of prosecuting the reference, and with that view may dispense with any proceeding ordinarily taken which he conceives to be unnecessary or substitute a different course of proceeding for that ordinarily taken. R.R.O. 1960, Reg. 396, r. 425.

426. Where the Master directs parties not in attendance before him to be notified to attend at some future day or for different purposes at different future days, it is not necessary to issue separate appointments, but the parties shall be notified by one appointment, signed by the Master, of the proceedings to be taken, and of the times appointed by him for taking them. (2) Where money is paid into a bank in pursuance of such appointment, the party paying may pay it either to the credit of the party to whom it is made payable or to the joint credit of the party and the Accountant, and, if it be paid to the sole credit of the party, such party is entitled to receive it without order.

(3) When money is paid to the joint credit of the Accountant and the party entitled, the Accountant shall sign the cheque for payment out upon the production of the consent of the party paying in, duly verified, or of his solicitor, or, in the absence of such consent upon the order of a judge. R.R.O. 1960, Reg. 396, r. 433.

434. 439. Where an order is made for payment of money out of court to creditors, the person whose duty it is to prosecute the order shall send each creditor, or his solicitor, if any, a notice that the cheques may be obtained from the Accountant, and shall deposit with the Accountant any papers necessary to enable the creditors to receive their cheques (Form 53). R.R.O. 1960, Reg. 396, r. 440.

441. Where a sale is ordered, the Master may cause the property to be sold either by public auction, private contract or tender, or part by one mode and part by another, as he thinks best for the interest of all parties. R.R.O. 1960, Reg. 396, r. 441.

R.R.O. 1960, Reg. 396, r. 451.

452. The vendor shall forthwith upon demand deliver an abstract of title to the purchaser, and, if the purchaser does not serve objections within seven days, he shall be deemed to have accepted the abstract as sufficient, but, if objections are served, the vendor shall answer them within fourteen days, and, if the purchaser is still dissatisfied and the parties cannot agree, either party may obtain from the Master an appointment to consider the abstract. R.R.O. 1960, Reg. 396, r. 452.

453. The Master shall determine all questions upon the abstract and the sufficiency thereof, and, if desired by the purchaser, may require the vendor to make the same as perfect as he can, and, if the vendor neglects or refuses to do so, may permit the purchaser to supply defects therein at the vendor's expense. R.R.O. 1960, Reg. 396, r. 453.

454. The Master shall not make a report on the abstract but shall mark the objections as allowed or disallowed, and, when he finds the abstract perfect or as perfect as the vendor can make it, he shall certify to that effect thereon, and such certificate is final without filing, unless appealed from in the same manner as a Master's report. R.R.O. 1960, Reg. 396, r. 454.

455. After acceptance or confirmation of the abstract, the verification shall be proceeded with, and the vendor shall with all diligence afford the purchaser all the means of verification in his power, in the manner and according to the practice usual with conveyances, and, after having done so, he may serve a notice on the purchaser to make objections or requisitions, if any, within seven days, or otherwise he will be deemed to have accepted the title. R.R.O. 1960, Reg. 396, r. 455.

456. Upon being served with such notice, the purchaser, if dissatisfied, shall serve his objections or requisitions within the time thereby limited, and the like course shall be followed upon such objections or requisitions as is prescribed in relation to the abstract. R.R.O. 1960, Reg. 396, r. 456.

R.R.O. 1960, Reg. 396, r. 459.

460. No conveyance shall be settled until evidence is produced of the purchase money having been paid into court, and, where a mortgage is taken for part of the purchase money, until evidence is given to the said officer of such mortgage having been registered and deposited with the Accountant. 461. Where the Master is to appoint a committee, guardian or receiver, the name proposed and the names of his proposed sureties shall be given in the appointment and the Master shall appoint the committee, guardian or receiver and settle and approve the proposed security, and, when the security has been duly filed, shall sign a written appointment. R.R.O. 1960, Reg. 396, r. 461.

462. The Master shall appoint a time when the person appointed is to pass his accounts and pay his balances into court, and, in default of compliance with

such direction, the person appointed may, on the passing of his accounts, be disallowed any salary or compensation for his services, and may be charged with interest upon his balances. R.R.O. 1960, Reg. 396, r. 462.

(2) Upon filing of the notice of removal and proof of service thereof the clerk of the county or district court shall forthwith transmit the papers to the proper office of the Supreme Court in the County or District in which the proceedings were brought.

(3) Within ten days of service upon him of the notice of removal the applicant shall serve upon the respondent and file a notice of the time and place of the hearing of the application before a judge of the Supreme Court in chambers and thereafter the practice and procedure of the Supreme Court in effect on March 25th, 1964, shall apply to proceedings coming within this rule. (2) Unless the order has been appealed, the applicant shall lodge with the clerk of the said county or district court a notice of motion returnable before a judge in chambers at Toronto for an order confirming the appointment of the committee and the scheme of management and the clerk shall thereupon transmit the notice of motion, the order and all other papers filed in the proceedings to the Registrar of the Supreme Court at Toronto.

(3) The notice of motion for confirmation shall be lodged with the clerk of the said county or district court at least ten days prior to the day upon which the motion is returnable.

(4) Upon receipt of the notice of motion and supporting material the Registrar shall place the application on the list of cases for hearing and it shall not be necessary for counsel to appear in the first instance.

(5) The order shall be considered by the presiding judge and if in his opinion it is proper to confirm the appointment of the committee and the scheme of management he shall confirm the same by so endorsing the notice of motion and an order prepared by the solicitor for the applicant shall be issued and entered in the Supreme Court and a copy thereof forthwith shall be filed with the clerk of the county or district court in which the proceedings were commenced.

(6) Where the judge is not satisfied he shall state shortly his reasons therefor in writing and either direct an amendment to be made before an order is issued or adjourn the motion and direct the Registrar to give notice to the applicant of the adjourned hearing upon which counsel shall appear. O. Reg. 180/64, s. 10.

463. Upon the death of a person who has been found mentally incompetent or mentally incapable under the provisions of *The Mental Incompetency Act* the accounts of his committee shall be passed by a judge of the county or district court in the county or district in which the proceedings are pending, or where the matter has been referred to the Master, by the Master to whom the matter has been referred, upon notice to his executor or administrator, and, upon payment over to the executor or administrator of the balance found to be due by the judge or Master, as the case may be, and upon confirmation of the order or report, the bond given by the committee shall be handed over for cancellation. O. Reg. 180/64, s. 11.

MORTGAGE ACTIONS

464. A mortgagee may in an action claim foreclosure of the equity of redemption or a sale of the mortgaged premises and payment of the mortgage debt by any party personally liable therefor and possession of the mortgaged premises. The writ shall be endorsed in accordance with the form applicable thereto. R.R.O. 1960, Reg. 396, r. 464.

465.—(1) Subject to sub-rule (2), in an action for foreclosure all persons interested in the equity of redemption shall be made defendants by writ.

(2) Where by reason of their number or otherwise it is expedient to institute the action without making subsequent encumbrancers defendants by writ the plaintiff may, upon obtaining judgment with a reference, apply to add the subsequent encumbrancers as defendants in the Master's Office but where the Master considers that such alternative procedure was taken without sufficient reason he may, in his discretion, disallow the additional costs occasioned thereby.

(3) In an action for sale, subsequent encumbrancers shall not be made defendants by writ, but shall be added as parties in the Master's Office. O. Reg. 189/69, s. 9.

466.—(1) Where a defendant by writ in an action for foreclosure or sale desires an opportunity to redeem the mortgaged property, he shall, within the time limited for appearance and, whether an appearance is entered or not, file a notice to that effect and, where the defendant filing such notice is a subsequent encumbrancer, the notice shall contain particulars of his claim verified by affidavit.

(2) Any defendant who has complied with sub-rule (1) shall be entitled to four clear days' notice of the taking of the account of the amount due to the plaintiff.

(3) Any defendant who has complied with sub-rule (1) shall be entitled to six calendar months from the date of the taking of the account of the amount due to the plaintiff within which to redeem the mortgaged property unless he is a subsequent encumbrancer, in which case, in a foreclosure action turned into a sale action pursuant to rule 467, he shall not be entitled to redeem, and in a foreclosure action he shall only become so entitled if his claim is not disputed or, if disputed, is proved on a reference to the Master. O. Reg. 189/69, s. 9; O. Reg. 301/70, s. 14.

(4) Where a judgment for sale has been obtained in a foreclosure action a subsequent encumbrancer, whether or not he has complied with sub-rule (1), shall be entitled to notice of the first appointment on the reference in the sale action. O. Reg. 189/69, s. 9.

467.—(1) Where a defendant in a foreclosure action having an interest in the equity of redemption, other than as a subsequent encumbrancer, desires a sale, but does not desire to defend the action, he shall, within the time limited for appearance, serve and file, with proof of service, a notice to that effect and pay into court the sum of $150 to meet the expenses of the sale, and thereupon judgment for sale shall issue.

(2) Where a defendant in a foreclosure action is a subsequent encumbrancer and desires a sale, but does not desire to defend the action, or redeem the mortgaged property he shall, within the time limited for appearance serve and file, with proof of service, a notice to that effect and pay into court the sum of $150 to meet the expenses of the sale, and thereupon a judgment for sale conditional upon such defendant proving his claim on a reference to the Master shall issue (Form 104A).

(3) Where a subsequent encumbrancer added in the Master's Office desires a sale, he shall, within the time limited by rule 477 serve and file a notice to that effect, with proof of service, and pay into court the sum of $150 to meet the expenses of the sale, and thereupon the Master, on the return of the reference, shall make an order amending the judgment from a judgment for foreclosure to a judgment for sale, provided, however, that no such order shall be made until after the subsequent encumbrancer desiring a sale has proved his claim to the satisfaction of the Master. O. Reg. 189/69, s. 9.

468. Where there are infant defendants, the Official Guardian may require the judgment to be for sale without making any deposit. R.R.O. 1960, Reg. 396, r. 468.

469.—(1) If the plaintiff prefers that the sale be conducted by an adult defendant desiring the sale, he may so elect, and he shall serve upon such defendant and file, with proof of service, notice of such election, whereupon such defendant shall conduct the sale and shall be entitled to a return of his deposit.

(2) In other cases the Master shall deal with the deposit in making his report. O. Reg. 189/69, s. 10.

470. The court may, on special application either before or after judgment, direct a sale instead of a foreclosure and may direct an immediate sale without previously determining the priorities of encumbrancers or giving the usual or any time to redeem. R.R.O. 1960, Reg. 396, r. 470.

471. In a mortgage action where the defendants, or some of the defendants, are infants and default is made by the adult defendants and the Official Guardian does not desire to set up any defence, the plaintiff, upon filing affidavits showing such facts and circumstances as entitle him to judgment, may move for judgment in chambers, upon notice to the Official Guardian. R.R.O. 1960, Reg. 396, r. 471.

472.—(1) In an action for foreclosure or sale where the writ has been specially endorsed and the defendant or defendants fail to appear and fail to comply with rule 466 (1) the plaintiff may obtain judgment for immediate foreclosure or immediate sale, as the case may be, unless a reference is desired as to subsequent encumbrancers (Form 104).

(2) If a reference is desired as to encumbrancers, the plaintiff is entitled to judgment with a reference, and, if no encumbrancer proves a claim the Master shall so certify, and, upon confirmation of the Master's report, a final order of foreclosure or of sale shall be made.

(3) If upon the reference in an action for foreclosure or redemption a subsequent encumbrancer proves a claim, the usual period of redemption shall be granted. O. Reg. 189/69, s. 11.

473.—(1) Where no reference as to subsequent encumbrancers is desired, the registrar may take the account of the amount due to the plaintiff and, where more than one party is entitled to redeem, determine the priority in which each is so entitled, and sign judgment accordingly (Form 103).

(2) Such judgment may be appealed to a judge in chambers in the manner prescribed for appeals from the Master.

(3) Where, on the taking of the account, or in determining priorities any dispute arises between the parties or the registrar is in doubt, he may sign judgment directing a reference to the Master (Form 102).

(4) Where subsequent encumbrancers are not made defendants by writ and a reference is desired as to encumbrancers, the registrar shall sign judgment directing a reference to the Master (Form 102).

(5) As an alternative to obtaining judgement for immediate payment before the registrar, the plaintiff may, where a reference is desired, obtain judgment for the amount to be found due by the Master.

(6) Where the writ has not been personally served the claim of the plaintiff shall be duly vertified by an affidavit which shall be filed with the registrar. O. Reg. 189/69, s. 11.

474. In a redemption action, where the writ has been specially endorsed and the defendant fails to appear, the plaintiff may sign judgment (Form 105). O. Reg. 189/69, s. 11.

475. Upon a reference pursuant to a judgment for foreclosure or sale or redemption of mortgaged property, the Master shall determine who has any lien, charge or encumbrance thereon subsequent to the mortgage in question. O. Reg. 189/69, s. 11.

476. The plaintiff shall file with the Master sufficient evidence to enable him to determine who appears to have any lien, charge or encumbrance upon the mortgaged property subsequent to the mortgage in question. O. Reg. 189/69, s. 11.

477.—(1) The Master shall direct all such persons as appear to have any lien, charge or encumbrance upon the mortgaged property subsequent to the mortgage in question who are not defendants by writ to be made parties to the action and to be served with notice of the reference (Form 46).

(2) Any person served with such notice may apply, within ten days from the date of the service, to discharge, add to, vary or set aside the judgment or the order making him a party.

(3) Where it appears to the Master that a defendant by writ, who has not been made a party to the action as a subsequent encumbrancer, may have some lien, charge or encumbrance upon the mortgaged property, subsequent to the mortgage in question, the Master shall direct such defendant to be served with notice of the reference (Form 47). O. Reg. 189/69, s. 11.

478.—(1) Subject to sub-rules (2) and (3), all defendants by writ shall be served with notice of the reference stating the names and nature of the claims of all those appearing to have a lien, charge or encumbrance upon the mortgaged property (Form 48).

(2) Any defendant by writ who is not a subsequent encumbrancer and has failed to comply with sub-rule (1) of rule 466 may be served with notice of the reference by prepaid post addressed to him at his last known address.

(3) Any subsequent encumbrancer who has been made a defendant by writ and has failed to comply with sub-rule (1) of rule 466 is not entitled to any notice of the reference. O. Reg. 189/69, s. 11.

479.—(1) Where a party appearing to have any lien, charge or encumbrance, subsequent to the mortgage in question, has been served with a notice under rules 477 or 478 and fails to attend and prove his claim at the time and place appointed, the Master shall so report and, upon confirmation of his report, the claim of any such party shall be deemed to have been foreclosed.

(2) Where no defendant other than a subsequent encumbrancer has complied with sub-rule (1) of rule 466 and where no subsequent encumbrancer has proved a claim on the reference, the Master shall so report, and, upon the confirmation of his report, a final order of foreclosure or of sale may be obtained upon an *ex parte* application. O. Reg. 189/69, s. 11.

480.—(1) On the reference, the Master shall take an account of what is due to the plaintiff and to any subsequent encumbrancer who has proved a claim and shall tax their costs and shall appoint a time and place for payment.

(2) One day shall be fixed for redemption by all of the parties entitled to redeem, and where more than one party is entitled to redeem the Master shall determine the priority in which each is so entitled.

(3) In a sale action, any defendant having an interest in the equity of redemption other than a subsequent encumbrancer, who has complied with sub-rule (1) of rule 466 shall be entitled to redeem and, in order to redeem, he shall be required to pay the amount found due to the plaintiff and to any subsequent encumbrancer who has proved a claim including their costs. O. Reg. 189/69, s. 11.

481. On any proceeding for foreclosure or sale by, or for redemption against, an assignee of a mortgagee, the statement of the mortgage account, under the oath of such assignee, is sufficient *prima facie* evidence of the state of such account, and an affidavit or oath shall not be required from the mortgagee or any intermediate assignee denying any payment to such

mortagee or intermediate assignee, unless the mortgagor or his assignee, or the party proceeding to redeem, denies by oath or affidavit the correctness of such statement of account. R.R.O. 1960, Reg. 396, r. 481.

482. The Master's report shall state the names of all persons who have been made parties in his office, and all subsequent encumbrancers who have been served with notice of the reference and the names of such as have made default, and shall set forth the amount of the claims and the priorities of such as have attended and proved their claims who shall be certified as the only encumbrancers upon the property. The report shall bear date the day upon which it is settled and shall be signed and filed within fourteen days thereafter, otherwise a new account shall be taken. O. Reg. 189/69, s. 12.

483.—(1) Subsequent accounts shall, from time to time, be taken, subsequent costs taxed, and necessary proceedings had, for redemption by, or foreclosure of, the other parties entitled to redeem the mortgaged property, as if specific directions for all these purposes had been contained in the judgment.

(2) Where more than one defendant entitled to redeem makes payment, any such defendant may apply to the Master for an order for further directions, and thereupon sub-rule (1) shall apply. O. Reg. 189/69, s. 12.

484.—(1) If a judgment directs a sale on default in payment, then an order for sale may be obtained on an *ex parte* application.

(2) Upon a judgment or order for sale being obtained the property shall be sold with the approbation of the Master, and the purchaser shall pay his purchase money into court unless otherwise directed by the Master. O. Reg. 189/69, s. 12.

485. When so paid, the purchase money shall be applied in payment of what has been found due to the plaintiff and the other encumbrancers, if any, according to their priorities, together with subsequent interest and subsequent costs. O. Reg. 189/69, s. 12.

486. Upon a reference under a judgment for redemption, the Master shall take an account of what is due to the defendant including costs, if any, and shall appoint a time and place for payment. O. Reg. 189/69, s. 12.

487. Where the judgment is for redemption or foreclosure or redemption or sale, such proceedings are in such case to be thereupon had, and with the same effect as in an action for foreclosure or sale, and in such case the last encumbrancer shall be treated as the owner of the equity of redemption. R.R.O. 1960, Reg. 396, r. 487.

488. Subject to *The Mortgages Act*, upon payment of the amount found due, the mortgagee shall, unless the judgment otherwise directs, assign and convey the mortgaged property to the party making the payment, or to whom he may appoint, free and clear of all encumbrances done by the mortgagee, and shall deliver up all deeds and writings in his custody or power relating thereto. R.R.O. 1960, Reg. 396, r. 488.

O. Reg. 242/67, s. 18.

560. If the amount authorized to be made and levied under a writ of *fieri facias* is made and levied thereunder out of goods and chattels, the person issuing the writ is not entitled to the expenses of any seizure or advertisement of lands thereunder, and the return to be made by the sheriff to the writ for sale of lands shall be to the effect that the amount has been so made and levied as aforesaid. O. Reg. 242/67, s. 18.

561. The Sheriff shall not expose lands for sale under a writ of *fieri facias* or sell the lands within less than twelve months from the day on which the writ is filed with him or, after a withdrawal of the writ, within less than twelve months from the day on which the writ is refiled with him. O. Reg. 242/67, s. 18.

565. The advertisement in *The Ontario Gazette* of any lands for sale under a writ of *fieri facias*, during the currency of the writ shall be deemed a sufficient commencement of the execution to enable the writ to be completed by a sale and conveyance of the lands after the writ has become returnable. O. Reg. 242/67, s. 18.

566.—(1) A writ of *fieri facias* remains in force for six years from its issue, unless renewed before its expiration, when it is in force for a further period of six years from the date of such renewal, and so on from time to time, and where the writ is filed with a sheriff, he shall send notice of such expiration by ordinary mail not less than one month nor more than two months prior to such expiration to the person who filed the writ at the last address of such person endorsed thereon.

(2) A writ which is filed with a sheriff may be renewed by filing with him before the writ expires a *praecipe* (Form 118), and the sheriff shall endorse and sign upon the writ a memorandum stating the day, month and year of such renewal, and a writ so endorsed shall be entitled to priority according to the time of the last filing thereof.

(3) A writ which is not filed with a sheriff may be renewed by filing the *praecipe* before the writ expires with the officer who issued the writ, and the officer shall make the same endorsement accordingly. O. Reg. 242/67, s. 18.

567.—(1) A judgment for the recovery or for the delivery of the possession of land may be enforced by writ of possession (Form 122).

(2) Unless otherwise provided by the judgment a writ of possession shall not be issued except by leave of the court obtained on an *ex parte* application and such leave shall not be given unless it is shown by affidavit that all persons in actual possession of the whole or any part of the lands and tenements have received sufficient notice of the proceedings in which such judgment was obtained to have enabled them to apply to the court for relief or otherwise.

(3) A second or subsequent writ for recovery of the same property pursuant to the judgment shall not be issued until the prior writ has been returned showing that possession has not been obtained of the whole property recoverable under the judgment. O. Reg. 242/67, s. 18.

568. A writ of possession remains in force for one year from the date of the judgment or order authorizing its issue, and where the writ is filed with a sheriff, no notice of its expiration need be given by him. O. Reg. 242/68, s. 18.

Attachment, Committal and Sequestration

569. A judgment requiring any person to do an act, other than the payment of money, or to abstain from doing anything, may be enforced by attachment or by committal (Form 125). O. Reg. 242/67, s. 18.

570. A writ of attachment shall not be issued without the leave of the court or a judge, on notice to the person against whom the attachment is to be issued. O. Reg. 242/67, s. 18.

571. Where a person is taken or detained in custody under a writ of attachment, without obeying the judgment, then, upon the sheriff's return that the person has been so taken or detained, the party prosecuting the judgment is entitled upon motion to a writ of sequestration against the estate and effects of the disobedient person. O. Reg. 242/67, s. 18.

572. If an attachment cannot be executed against the person refusing or neglecting to obey the judgment by reason of his being out of the jurisdiction of the court or of his having absconded or that with due diligence he cannot be found or if in any other case the court thinks proper to dispense with a writ of attachment, an order may be granted for a writ of sequestration against the estate and effects of the disobedient person, and it is not necessary for that purpose to issue an attachment. O. Reg. 242/67, s. 18.

573. If a person who is ordered to pay money neglects to obey the judgment, the court may, upon the application of the party prosecuting the

O. Reg. 242/67, s. 18.

576. Any judgment against a corporation wilfully disobeyed may be enforced by sequestration against the corporation or by attachment against the directors or other officers of the corporation. O. Reg. 242/67, s. 18.

577. Any corporation or individual disobeying a judgment or guilty of any other contempt of court may be fined and such fine may be in lieu of or addition to punishment by attachment, committal or sequestration. O. Reg. 242/67, s. 18.

578. Any person not a party against whom obedience to a judgment may be enforced is liable to the same process and punishment as if he were a party. O. Reg. 242/67, s. 18.

579. If a *mandamus* granted in an action or otherwise, or a mandatory order, injunction or judgment for specific performance of a contract, is not complied with, the court, besides or instead of proceeding against the disobedient party for contempt, may direct that the act required to be done may be done so far as practicable by the party by whom the judgment has been obtained, or some other person appointed by the court, at the cost of the disobedient party, and, upon the act being done, the expenses incurred may be ascertained in such manner as the court directs, and execution may issue for the amount so ascertained and for costs. O. Reg. 242/67, s. 18.

Writs of Delivery

580.—(1) Where a judgment directs the recovery of specific goods, chattels, deeds, securities, documents or any property other than land or money, a writ of delivery may issue directing the sheriff to cause such goods or property to be delivered up in accordance with the judgment (Form 123).

(2) If the goods and property are not delivered up by the judgment debtor and cannot be found and taken by the sheriff, the judgment creditor may apply for an order directing the sheriff to take goods and chattels of the judgment debtor to double the value of the property in question to be kept until the further order of the court to enforce obedience to the judgment.

(3) By leave of the court, such judgment may also be enforced by attachment, committal or sequestration. O. Reg. 242/67, s. 18.

Writs of Assignment of Dower

581. A judgment for the recovery of dower may be enforced by a writ of assignment of dower, directed to the sheriff of the county in which the lands lie, and the writ shall set forth the lands out of which the plaintiff is to recover dower (Forms 127 and 128). O. Reg. 242/67, s. 18.

EXAMINATION OF JUDGMENT DEBTORS

587.—(1) A judgment creditor may, without an order, examine the judgment debtor upon oath annually before, the proper officer of the county in which he resides touching his estate and effects and as to the property and means he had when the debt or liability that was the subject of the cause or matter in which judgment has been obtained against him was incurred, or, in the case of a judgment for costs only, at the time of the commencement of the cause or matter, and as to the property and means he still has of discharging the judgment, and as to the disposal he has made of any property since contracting such debt or incurring such liability, or, in the case of a judgment for costs only, since the commencement of the cause or matter, and as to any and what debts are owing to him.

(2) No further examination shall be had without an order until the expiration of one year from the close of the preceding examination. R.R.O. 1960, Reg. 396, r. 587.

588. Where the judgment is against a corporation, the judgment creditor may in like manner examine any of the officers of the corporation touching the names and residences of the stockholders in the corporation, the amount and particulars of stock held or owned by each stockholder and the amount paid thereon, and as to what debts are owing to the corporation, and as to the estate and effects of the corporation, and as to the disposal made by it of any property since contracting the debt or liability in respect of which the judgment was obtained, or, in

the case of a judgment for costs only, since the commencement of the cause or matter. R.R.O. 1960, Reg. 396, r. 588.

589. The court may order any clerk or employee or former clerk or employee of the judgment debtor, or any person or the officer or officers of any corporation to whom the debtor has made a transfer of his property or effects, exigible under execution, since the date when the liability or debt that was the subject of the action in which judgment was obtained was incurred, or, where the judgment is for costs only, since the commencement of the cause or matter, to submit to being examined upon oath as to the estate and effects of the debtor, and as to the property and means he had when the debt or liability aforesaid was incurred, or, in the case of a judgment for costs only, at the date of the commencement of the cause or matter, and as to the property or means he still has of discharging the judgment, and as to the disposal he has made of any property since contracting the debt or incurring the liability, and as to any and what debts are owing to him. R.R.O. 1960, Reg. 396, r. 589.

590. Where the court is satisfied that there is reasonable ground for supposing that a person or corporation is in possession of any property of the judgment debtor exigible under execution, it may order such person or any officer of the corporation to attend and submit to examination touching the property and means of the judgment debtor. R.R.O. 1960, Reg. 396, r. 590.

591. Where a difficulty arises in or about the execution or enforcement of a judgment, the court may make such order for the attendance and examination of any party or person as seems just. R.R.O. 1960, Reg. 396, r. 591.

592. A person liable to be examined under the preceding rules may be compelled to attend and testify, and to produce books and documents, in the same manner and subject to the same rules of examination, and the same consequences of neglecting to attend or refusing to disclose the matters in respect of which he may be examined, as in the case of a witness. R.R.O. 1960, Reg. 396, r. 592.

593. A person liable to be examined as a judgment debtor or as an officer of a corporation that is a judgment debtor need not be served with a subpoena, but may be served with an appointment, signed by the officer before whom he is to be examined, at least forty-eight hours before the time fixed for his examination, and the person to be examined shall be paid the same travelling expenses as a witness but no witness fees. R.R.O. 1960, Reg. 396, r. 593; O. Reg. 301/70, s. 15.

594. Where the judgment debtor does not attend, does not allege a sufficient excuse for not attending, or, if attending, refuses to disclose his property or his transactions, or does not make satisfactory answers respecting the same, or, if it appears from such examination that he has concealed or made away with his property in order to defeat or defraud his creditors or any of them, the court may order the debtor to be committed to the common jail of the county or district in which he resides for a term of not more than twelve months, or that a writ of *capias ad satisfaciendum* may be issued against the debtor, or, in case the debtor is at large upon bail, may make an order for his committal to close custody, and the sheriff, on due notice of the order, shall forthwith take the debtor and commit him to close custody until he obtains an order allowing him to go out of close custody, on giving the necessary bond in that behalf, or until he is otherwise discharged in due course of law. R.R.O. 1960, Reg. 396, r. 594.

595. Where an officer of a corporation or other person liable to be examined does not attend and does not show a sufficient excuse for not attending, or, if attending, refuses to disclose any of the matters in respect of which he may be examined, the court may order him to be committed to the common jail of the county or district in which he resides for a term of not more than six months. R.R.O. 1960, Reg. 396, r. 595.

596. Where a person has been committed to jail, the court may limit the term of imprisonment or grant such other relief as seems just, but the order does not relieve such person from any civil liability to any other person. R.R.O. 1960, Reg. 396, r. 596.

GARNISHMENT PROCEEDINGS

597.—(1) The court, upon the *ex parte* application of the judgment creditor, upon affidavit stating that the judgment is unsatisfied and,

(*a*) that some person within Ontario is indebted to the judgment debtor; or

(*b*) that some person not within Ontario is indebted to the judgment debtor and that the debt to be attached is one for which such person might be sued in Ontario by the judgment debtor,

may order that all debts owing or accruing from such third person (hereinafter called the garnishee) to the judgment debtor, shall be attached to answer the judgment debt and that the garnishee do at a time named show cause why he should not pay the judgment creditor the debt due from the garnishee to the judgment debtor or so much thereof as is sufficient to satisfy the judgment debt and the claims of any other execution creditors. Notice of the application to pay over shall, unless dispensed with, be given to the judgment debtor (Form 78).

(2) Where the garnishee is not within Ontario and is neither a British subject nor in British dominions, notice of the order and not the order itself shall be served (Form 79).

(3) Where a debt owing from a firm carrying on business within Ontario, but having members out of Ontario, is attached, service may be effected upon any person having control or management of the partnership business or any member of the firm within Ontario. R.R.O. 1960, Reg. 396, r. 597.

598. The garnishee shall be deemed to be indebted, although any debt sought to be attached has been assigned, charged or encumbered by the judgment debtor, if the assignment, charge or encumbrance is fraudulent as against creditors or is otherwise impeachable by them. R.R.O. 1960, Reg. 396, r. 598.

599. The order from the time of service binds the debts attached. R.R.O. 1960, Reg. 396, r. 599.

600. If the garnishee admits his liability, he may pay the amount admitted into court, less $3 for his costs of paying in, and give notice of such payment to the judgment creditor. R.R.O. 1960, Reg. 396, r. 600.

601.—(1) If the garnishee does not pay into court the amount due from him to the judgment debtor and does not dispute the debt due or claimed to be due from him to the judgment debtor, or, if he does not appear upon notice to him, then the court may order payment into court of the debt (Form 80).

(2) If the debt is not payable at the time of the attachment, an order may be made for the payment thereon when it becomes payable. R.R.O. 1960, Reg. 396, r. 601.

602. If the garnishee disputes his liability, the court may determine the dispute in a summary way or may order that an issue be tried in such manner as is directed. R.R.O. 1960, Reg. 396, r. 602.

603.—(1) Where a garnishee has notice of an assignment of the debt or of a claim thereto or charge thereon, he shall give notice thereof, and the court may order the assignee or the claimant to appear and state the nature and particulars of his claim.

(2) After hearing the allegations of such third person and of any other person who by the same or a subsequent order may be ordered to appear, or in the case of such third person not appearing when ordered, the court may order payment of the amount due from the garnishee, or may order an issue to be tried, or may bar the claim of the third person, or may make such other order as seems just. R.R.O. 1960, Reg. 396, r. 603.

604. Where the debt claimed to be due or accruing from a garnishee is of an amount recoverable in a county court, the order to show cause shall require the garnishee to appear before the judge of the county court of the county within which the garnishee resides, on a day and at a place within his county to be appointed by such judge, and the garnishee shall be served with notice of the day and place appointed and all subsequent proceedings shall then be taken and carried on before such judge. R.R.O. 1960, Reg. 396, r. 604.

605.—(1) Where the debt claimed to be due or accruing from a garnishee is of an amount recoverable in a small claims court, the order to show cause shall require the garnishee to appear before the judge of the small claims court within whose jurisdiction the garnishee resides, on a day to be appointed in writing by such judge, and the garnishee shall be served with notice of the day appointed.

(2) The proceedings shall thereafter be carried on before the judge as though the garnishment summons had been issued out of the small claims court, and all proceedings may thereafter be carried on in the small claims court, and execution may be issued in the small claims court to enforce any order or judgment made. R.R.O. 1960, Reg. 396, r. 605.

606. Payment into court or under an order by the garnishee is a valid discharge to him as against the judgment debtor or any assignee or claimant of whose claim he has given notice and who has been called upon to show cause under the preceding rules. R.R.O. 1960, Reg. 396, r. 606.

608.—(1) The persons to be served with notice under rule 607 in the first instance are as follows:

1. Where the notice is served by an executor or administrator or trustee,

609. When upon an originating notice under *The Vendors and Purchasers Act* it appears that some third person is or may be interested in the question raised, the court may require notice to be given to such person so that the question may be determined not only as between the vendor and purchaser, but so as to bind such third person. R.R.O. 1960, Reg. 396, r. 609.

610.—(1) Where any person claims to be the owner of land, but does not desire to have his title thereto quieted under *The Quieting Titles Act*, he may have any particular question that would arise upon an application to have his title quieted determined upon an originating notice.

(2) Notice shall be given to all persons to whom notice would be given under *The Quieting Titles Act*, and the court has the same power finally to dispose of and determine such particular question as it would have under that Act, but this does not render it necessary to give the notice required by rule 712. R.R.O. 1960, Reg. 396, r. 610.

611. Where the rights of a person depend upon the construction of a deed, will or other instrument, he may apply by originating notice, upon notice to all persons concerned, to have his rights declared and determined. R.R.O. 1960, Reg. 396, r. 611.

614. Service of an originating notice does not interfere with or control any power or discretion vested in any executor, administrator or trustee,

except so far as such interference or control may necessarily be involved in the particular relief sought. R.R.O. 1960, Reg. 396, r. 614.

ADMINISTRATION, PARTITION, INFANTS' ESTATES AND DOWER

Administration

615. Any person claiming to be a creditor, or a specific, pecuniary, or residuary legatee, or the next of kin, or one of the next of kin, or the heir, or a devisee interested under the will of a deceased person, may apply by originating notice for the administration of the estate, real or personal, of such deceased person (Form 106). R.R.O. 1960, Reg. 396, r. 615.

616. A judgment for the administration of an estate in which an infant or a mentally incompetent person who has no committee except the Public Trustee is interested shall not be made unless the infant or mentally incompetent person is made a party defendant and notice is given to the Official Guardian, and notice of such application shall, unless otherwise ordered, also be given to such mentally incompetent person. R.R.O. 1960, Reg. 396, r. 616.

617. An executor or administrator may, upon summary application, obtain a judgment for administration. R.R.O. 1960, Reg. 396, r. 617.

618.—(1) Where judgment for administration is granted, the Minister to whom the matter is referred shall proceed to administer the estate in the most expeditious and least expensive manner, and in doing so shall, without special direction, take,

(*a*) an account of the personal estate of the deceased that has come to the hands of his executor or administrator;

(*b*) an account of his debts;

(*c*) an account of his funeral expenses;

(*d*) an account of the testator's legacies;

(*e*) an inquiry as to what parts, if any, of the real and personal estate are outstanding or disposed of;

(*f*) an inquiry as to what real estate the deceased was seised of, or entitled to, at the time of his death;

(*g*) an inquiry as to what encumbrances affect the real estate;

(*h*) an account of the rents and profits of the real estate received by any party since the death;

(*i*) an account of what is due to such of the encumbrancers as consent to sale in respect of their encumbrances;

(*j*) an inquiry as to what are the priorities of such last-mentioned encumbrances.

(2) The Master shall, under any such reference, have power to deal with both the real and personal estate, including the power to give all necessary directions for its realization, and shall finally wind up all matters connected with the estate, without any further directions, and without any separate interim or interlocutory reports or orders, except where the special circumstances of the case absolutely call therefor.

(3) All money realized from the estate shall forthwith be paid into court, and no money shall be distributed or paid out for costs or otherwise without an order of a judge, and, on the application for an order for distribution, the judge may review, amend or refer back the report, or make such other order as seems just. R.R.O. 1960, Reg. 396, r. 618.

619. It is not obligatory on the court to pronounce or make a judgment or order for the administration of any trust or of the estate of any deceased person, if the questions between the parties can be properly determined without such judgment or order. R.R.O. 1960, Reg. 396, r. 619.

620. In any action or proceeding for the administration or execution of trusts by a creditor or beneficiary under a will, intestacy or instrument of trust, where no accounts or insufficient accounts have been rendered, the court may, instead of pronouncing judgment for administration,

(*a*) order that the executors, administrators or trustees render to the plaintiff or applicant a proper statement of their accounts with an intimation that if it is not done they may be made to pay the costs of the proceedings, and may direct the action or proceeding to be stayed or to stand over in the meantime, as seems just;

(*b*) make the usual judgment for administration with a provision that no proceedings are to be taken thereunder without the leave of the court and such judgment shall prevent proceedings being taken by any creditor or beneficiary without first obtaining leave. R.R.O. 1960, Reg. 396, r. 620.

621. Special directions touching the carriage or execution of the judgment may be given as are deemed expedient, and, in the case of applications by two or more persons or classes of persons, judgment may be granted to one or more of the claimants as seems just, and the carriage of the judgment may be subsequently given to other persons interested. R.R.O. 1960, Reg. 396, r. 621.

Partition

622.—(1) An adult person entitled to compel partition of land or any estate or interest therein may, by originating notice served on one or more of the persons entitled to a share therein, apply for partition or sale (Form 107).

(2) Where an infant or a mentally incompetent person who has no committee except the Public Trustee is interested, he shall be made a party defendant before judgment, and notice shall be given to the Official Guardian and notice of such application shall, unless otherwise ordered, also be given to the mentally incompetent person.

(3) The Master shall proceed in the least expensive and most expedious manner for partition or sale, the adding of parties, the ascertainment of the rights of the various persons interested, the taxation and payment of costs, and otherwise.

(4) All moneys realized shall forthwith be paid into court, and no moneys shall be distributed or paid out for costs or otherwise, without an order of a judge, and, on the application for an order for distribution, the judge may review, amend or refer back to the Master his report or make such other order as seems just. R.R.O. 1960, Reg. 396, r. 622.

623. An application for partition on behalf of an infant by his guardian or next friend may be made with the sanction of a judge to be first obtained upon notice to the Official Guardian. R.R.O. 1960, Reg. 396, r. 623.

Dower

624. Where the right to dower is not disputed, either the dowress or the tenant of the freehold may apply upon originating notice for a writ for the assignment of dower. R.R.O. 1960, Reg. 396, r. 624.

Infants' Estates

625. All applications for the sale, mortgage, lease or other disposition of an infant's estate shall be made to a judge upon notice to the Official Guardian. R.R.O. 1960, Reg. 396, r. 625.

626.—(1) The affidavits filed shall state the nature and amount of the personal property to which the infant is entitled, the necessity of resorting to the real estate, its nature, value, and the annual profits thereof and the occupation of the lands to be disposed of, and shall state specifically the relief desired and circumstances sufficient to justify the order sought.

(2) If an allowance for maintenance is desired, a case shall also be stated and made to justify such an order and to regulate the amount.

(3) If the appointment of a guardian is desired, a case shall be stated and made for the appointment of the person proposed. R.R.O. 1960, Reg. 396, r. 626.

627.—(1) The consent of all infants over sixteen years of age shall be filed, verified by an affidavit of a solicitor stating that the consent was read over by him to the infant and fully explained to and apparently understood by the infant.

(2) When so directed by the judge, the infant shall be produced before him or before a master and shall be examined apart as to his consent.

(3) Where the infant is out of Ontario, the judge may direct inquiry as to the infant's consent in such manner as seems proper. R.R.O. 1960, Reg. 396, r. 627.

628. Witnesses in support of the application may be examined *viva voce* before the judge making the order or before a master. R.R.O. 1960, Reg. 396, r. 628.

MANDAMUS, ETC.

629. Mandamus, prohibition and *certiorari* may be granted upon a summary application by originating notice. R.R.O. 1960, Reg. 396, r. 629.

630. No writ of mandamus, prohibition or *certiorari* shall be issued, but all necessary provisions shall be made in the judgment or order (Forms 88 and 89). R.R.O. 1960, Reg. 396, r. 630.

631. The court may require notice to be given to any person claiming any right or interest in the subject-matter of the application. R.R.O. 1960, Reg. 396, r. 631.

INTERPLEADER

632. Relief by way of interpleader may be granted,

(*a*) where the person seeking relief (hereinafter called the applicant) is under liability for any debt, money, goods or chattels, for or in respect of which he is, or expects to be, sued by two or more persons (hereinafter called the claimants) making adverse claim thereto; or

(*b*) where the applicant is a sheriff and claim is made to any money, goods or chattels, lands or tenements, taken or intended to be taken in execution under a writ of execution, or to the proceeds or value thereof, by any person other than the person against whom the process issued. R.R.O. 1960, Reg. 396, r. 632.

633. The applicant shall satisfy the court by affidavit or otherwise,

(*a*) that he claims no interest in the subject-matter in dispute, other than in respect of a lien or for charges or costs;

(*b*) that he does not collude with any of the claimants; and

(*c*) that he is willing to pay or transfer the subject-matter into court, or to dispose of it as the court directs. R.R.O. 1960, Reg. 396, r. 633.

634. The applicant is not disentitled to relief by reason only that the titles of the claimants have not a common origin, but are adverse to and independent of one another. R.R.O. 1960, Reg. 396, r. 634.

635. Where the applicant is a defendant, application for relief may be made at any time after service of the writ of summons, and the court may stay all proceedings in the action. R.R.O. 1960, Reg. 396, r. 635.

636. The applicant may make a motion calling on the claimants to appear and state the nature and particulars of their claims, and either to maintain or relinquish them. R.R.O. 1960, Reg. 396, r. 636.

637. Where a claimant does not appear on the motion after having been served with a notice of motion calling on him to appear and maintain or relinquish his claim, or, having appeared, neglects or refuses to comply with any order made thereafter, an order may be made declaring him and all persons claiming under him to be forever barred as against the applicant and all persons claiming under him, but the order does not affect the rights of the claimants as among themselves (Form 81). R.R.O. 1960, Reg. 396, r. 637.

638. Where the claimants appear on the motion, any claimant may be made a defendant in any action already commenced in respect of the subject-matter in dispute in lieu of or in addition to the applicant, or an issue between the claimants may be stated and tried, and in the latter case the order shall direct which of the claimants is to be plaintiff and which the defendant (Forms 82 and 83). R.R.O. 1960, Reg. 396, r. 638.

639. The court may, with the consent of both claimants, or on the request of any claimant, if, having regard to the value of the subject-matter in dispute, it seems desirable so to do, dispose of the merits of their claims, and, subject to appeal, decide the same in a summary manner (Form 84). R.R.O. 1960, Reg. 396, r. 639.

640. Where the question is one of law and the facts are not in dispute, the court may decide the question without directing the trial of an issue, or may order that a special case be stated for the opinion of the court. R.R.O. 1960, Reg. 396, r. 640.

641. Where goods or chattels have been seized in execution by a sheriff, and any claimant alleges that he is entitled, under a bill of sale or otherwise, to the goods or chattels by way of security for debt, the court may order a sale, and direct the application of the proceeds of the sale in discharge of the amount due the claimant if it is not disputed, or that sufficient to answer the claim be paid into court pending trial of the claim. R.R.O. 1960, Reg. 396, r. 641.

642. Where a sheriff applies for relief by interpleader and any execution creditor declines to join in contesting the claim of the adverse claimant, the court may direct that such creditor be excluded from any benefit that may be derived from the contestation of the claim. R.R.O. 1960, Reg. 396, r. 642.

643. The court that tries the issue may finally dispose of the interpleader proceedings, including all costs not otherwise provided for. R.R.O. 1960, Reg. 396, r. 643.

644. When a sheriff finds property in the possession of a debtor against whose property he has a writ or other process in his hands, and a claim is set up to such property by or on behalf of a third person who is out of possession or is in joint possession with the debtor, the claim of such third person shall be made in writing, and upon receipt thereof the sheriff shall forthwith give notice thereof to the execution creditor, and the execution creditor shall, within seven days thereafter, give notice to the sheriff that he admits or disputes the claim, and, if the execution creditor admits the title of the claimant and gives notice as directed by this rule, he is only liable to the sheriff for fees and expenses incurred before the receipt of the notice admitting the claim, and no action shall be brought against the sheriff in respect of the seizure of the property. R.R.O. 1960, Reg. 396, r. 644.

645. Where the execution creditor does not in due time admit or dispute the title of the claimant to the property and the claimant does not withdraw his claim thereto by notice in writing to the sheriff, the sheriff may apply for relief by interpleader. R.R.O. 1960, Reg. 396, r. 645.

646. Where a sheriff has more than one writ of execution against the same property or there is more than one claimant to goods seized under the execution, he shall make one application and make all the execution creditors and claimants parties. R.R.O. 1960, Reg. 396, r. 646.

647. Where there is an execution from the Supreme Court, the application for interpleader shall be made in the Supreme Court notwithstanding that other executions in the sheriff's hands have issued from county or division courts. R.R.O. 1960, Reg. 396, r. 647.

648.—(1) Where an issue is directed to be tried, the costs of the sheriff incurred in consequence of the adverse claim are a first lien or charge upon the moneys or goods that may be found in the issue to be applicable upon the execution.

(2) The sheriff may also tax such costs, and serve a copy of the certificate of taxation upon each of the parties to the issue, and the successful party upon the issue shall tax such costs as part of his costs of the cause, and upon receipt of the costs shall pay them over to the sheriff.

(3) Where after the service of the certificate the party succeeding upon the issue neglects or refuses to tax such costs, the sheriff may obtain an order that the successful party pay them.

(4) Where the proceedings are compromised between the parties thereto, the costs of the sheriff shall be paid by the party by whom the execution was issued. R.R.O. 1960, Reg. 396, r. 648.

649. Where, after the seizure, an issue is directed, and the property seized remains, pending the trial of the issue, in the custody of the sheriff who seized the property, the court may make an order for the payment to the sheriff of a reasonable sum for his trouble in and about the custody of the property, and the sheriff has a lien upon the property for payment of the same in the event that the property is held to be exigible against the claimant. R.R.O. 1960, Reg. 396, r. 649.

650. The court may make all such orders respecting the satisfaction or payment of any lien or charges of the applicant as are just and reasonable. R.R.O. 1960, Reg. 396, r. 650.

651.—(1) Relief by interpleader may be granted in a county court,

(*a*) where the applicant is sued in the county court; or

(*b*) where the applicant is not so sued and the debt, money, goods or chattels in question do not exceed in value $3000. R.R.O. 1960, Reg. 396, r. 651 (1); O. Reg. 155/65, s. 15.

(2) Where the applicant is a sheriff acting under a writ or writs of execution issued from a county court or different county courts, the application may be made to the judge of his own county. R.R.O. 1960, Reg. 396, r. 651 (2).

652. All subsequent proceedings shall be had and taken in the county where the application is made, but the judge to whom the application is made may order that the subsequent proceedings be had and taken in any other county if that course seems just and more convenient. R.R.O. 1960, Reg. 396, r. 652.

653. Where the amount claimed under or by virtue of writs of execution in the sheriff's hands does not exceed the sum of $1200, exclusive of interest and sheriff's costs, or when the goods seized are not, in the opinion of the judge or other person making the order, of the value of more than $400, the issue may be directed to be tried in a county court, and in such case all subsequent proceedings shall be had and taken in the county court. R.R.O. 1960, Reg. 396, r. 653.

654. Where the amount of the execution or the value of the goods does not exceed $200, the issue may be directed to be tried in a small claims court, and thereafter all proceedings shall be carried on in such court. R.R.O. 1960, Reg. 396, r. 654.

655. Where money has been paid into court and an issue has been directed to be tried in the county or small claims court, the money shall be paid out upon the order of the county or small claims court. R.R.O. 1960, Reg. 396, r. 655.

COSTS

656. Where an action of the proper competence of a county court is brought in the Supreme Court, or an action of the proper competence of a small claims court is brought in the Supreme Court or in a county court, and the trial judge makes no order to the contrary, the plaintiff shall not recover any costs. O. Reg. 189/69, s. 15.

657. Where judgment is entered for default and the action is within the jurisdiction of an inferior court, the taxation shall be on the scale of fees in such court. R.R.O. 1960, Reg. 396, r. 657.

658. The Taxing Officer may make all inquiries necessary to determine whether an action is within the competence of an inferior court. R.R.O. 1960, Reg. 396, r. 658.

659.—(1) A judgment or order may direct payment of a sum in gross in lieu of taxed costs.

(2) No sum in excess of $50 shall be allowed without taxation, save by a judge.

(3) In all cases where infants or mentally incompetent persons are concerned and are represented by the Official Guardian, the Taxing Officer may fix costs at a sum gross to be inserted in the order. R.R.O. 1960, Reg. 396, r. 659.

660.—(1) In actions or proceedings for administration or partition, or administration and partition, unless otherwise ordered by a judge, instead of the costs being allowed according to the tariff, each person properly represented by a solicitor and entitled to costs out of the estate, other than creditors not parties to the action or proceeding, is entitled to his actual disbursements in the action or proceeding, not including counsel fees, and there shall be allowed for

the other costs of the suit payable out of the estate a commission on the amount realized or on the value of the property partitioned, which commission shall be apportioned among the persons entitled to costs, as seems just.

Subject to such increase or decrease upon the recommendation of the Master as is approved by a judge on the confirmation of the Master's report, such commission shall be as follows:

On the first $1,000	15 per cent
On every $100 over $1,000 and up to $2,500	5 " "
On every additional $100 over $2,500 and up to $5,000	4 " "
On every additional $100 over $5,000 and up to $10,000	3 " "
On every additional $1,000 over $10,000 and up to $15,000	2 " "
On every additional $1,000 over $15,000	1 " "

and such remuneration shall be in lieu of all fees whether between party and party or between solicitor and client. On the application for confirmation of the Master's report, the judge may direct that the amount of such commission be varied or be taxed.

(2) Where an order or judgment in any such action or proceeding by any form or words directs that the costs thereof be taxed, it shall be taken to mean the allowance of commission and disbursements, in accordance with subsection 1, unless it is otherwise expressly provided. R.R.O. 1960, Reg. 396, r. 660.

661. The costs of every interlocutory *viva voce* examination and cross-examination shall be borne by the party who examines unless, as to the whole or part thereof, it be otherwise directed, in actions in the Supreme Court by the Taxing Officer at Toronto, on his appointment served, and in actions in a county court by a judge thereof. R.R.O. 1960, Reg. 396, r. 661.

662. Where the Official Guardian or other guardian of an infant or mentally incompetent person is entitled to costs, the court may order a successful party to pay such costs and add them to his own. R.R.O. 1960, Reg. 396, r. 662.

663. Where several actions are brought on one bond, recognizance, promissory note, bill of exchange or other instrument, or where several actions are brought against the maker and endorser of a note or against the drawer, acceptor or endorser of a bill of exchange, there shall be collected or recovered the costs taxed in one action only, at the election of the plaintiff, and the actual disbursements only in the other actions, unless the court otherwise orders, but this provision does not extend to any interlocutory costs. R.R.O. 1960, Reg. 396, r. 663.

664. Where any one of the persons constituting a class formed by a master for representation in his office by one solicitor insists on being represented by a different solicitor, he shall pay the costs of his own solicitor and all such further costs as are occasioned to any of the parties by this being represented by a different solicitor from the solicitor so nominated. R.R.O. 1960, Reg. 396, r. 664.

665. No *ex parte* order in an action shall contain any direction as to costs, but the costs of any such motion shall be dealt with the Taxing Officer. R.R.O. 1960, Reg. 396, r. 665.

666. Costs claimed upon a specially endorsed writ may be taxed although paid, and, if more than one-sixth be taxed off, the plaintiff's solicitor shall bear the cost of taxation. R.R.O. 1960, Reg. 396, r. 666.

667.—(1) Unless otherwise ordered, if a party who serves a notice of motion does not set the motion down, he shall be deemed to have abandoned it, and the opposite party is thereupon entitled without an order to the costs of the motion.

(2) A party who serves a notice of motion may countermand it by notice served on the opposite party who is thereupon entitled to the costs of the motion.

(3) In either of such cases, the costs may be taxed without an order, upon the production of the notice of motion served, with an affidavit that the motion was not set down, or of the notice of countermand served, and, if the costs are not paid within four days from taxation, the party entitled thereto may issue an execution therefor.

(4) This rule applies to an appeal to the Court of Appeal. R.R.O. 1960, Reg. 396, r. 667.

668.—(1) Where costs are ordered to be paid, they may be taxed either by the Taxing Officer at Toronto or by the proper officer where the proceedings were begun.

(2) On the signing of default judgment, the officer signing judgment may fix and ascertain costs without taxation.

(3) The officer taking an account in a mortgage action may tax costs. R.R.O. 1960, Reg. 396, r. 668.

669. Where a notice of taxation is necessary, one day's notice is sufficient if served with a copy of the bill of costs and affidavit of disbursements. R.R.O. 1960, Reg. 396, r. 669.

670. The Taxing Officer may direct what parties are to attend before him on the taxation of costs to be borne by a fund or estate, and he may disallow the costs of any person whose attendance he considers unnecessary in consequence of the interest of such party in the fund or estate being small or remote or sufficiently protected by other parties interested. R.R.O. 1960, Reg. 396, r. 670.

671. Where a party entitled to costs refuses or neglects to bring in his bill of costs for taxation or to procure the bill to be taxed and thereby prejudices any other party, the Taxing Officer shall certify the costs of the other parties and certify such refusal or neglect, or may allow such party refusing or neglecting a nominal or other sum for such costs, so as to prevent any other party being prejudiced by such refusal or neglect. R.R.O. 1960, Reg. 396, r. 671.

675.—(1) Upon a taxation between a solicitor and his client, the Taxing Officer may allow the costs of proceedings taken that were in fact unnecessary where he is of the opinion that such proceedings were taken by the solicitor because, in his judgment, reasonably exercised, they were conducive to the interests of his client, and may allow the costs of proceedings that were not calculated to advance the interests of the client where the proceedings were taken by the desire of the client after being informed by his solicitor that they were unnecessary and not calculated to advance his interests.

(2) If a solicitor attends as a witness, it shall be stated whether or not he attended at the place of trial as solicitor or witness in any other cause and whether or not he had any other business there, and the day on which the trial took place shall be stated.

REPORTS, ETC., BY MASTERS, ETC.

FORM OF REPORT IN ADMINISTRATION SUIT

Date.....

Pursuant to the judgment herein made, dated the .....day of....., 19.... having caused an office copy thereof to be served upon (*state the names of persons served, and also the names of those upon whom the service has been dispensed with, and the reason for dispensing with service*), I proceeded to dispose of the matters referred to me, and thereupon was attended by the solicitors for all parties interested [*or as the case may be*], and I find as follows:

1. The personal estate not specifically bequeathed of the testator come to the hands of the executors, and wherewith they are chargeable, amounts to the sum

of $....., and they have paid, or are entitled to be allowed thereout, the sum of $....., leaving a balance due from [*or* to] them of $..... on that account.

[*If no personal estate, say:* No personal estate has come to the hands of the executors, nor are they chargeable with any].

2. The creditors' claims sent in pursuant to my advertisement in that behalf and which have been allowed are set forth in the first schedule hereto and amount altogether to $.....

[*If no creditors, say:* No creditor has sent in a claim pursuant to my advertisement in that behalf nor has any such claim been proved before me].

3. The funeral expenses of the testator amounting to $.....have been paid by the executors and are allowed to them in the account of personal estate.

4. The legacies given by the testator are set forth in the second schedule hereto, and with the interest therein mentioned, remain due to the persons named [*or as the case may be*].

5. The personal estate of the said testator outstanding, or undisposed of, is set forth in the third schedule hereto.

In this third schedule, personal estate not specifically bequeathed should be set forth separately from the other personalty outstanding or undisposed of. If there is no specific bequest, it should be so stated in the body of the report.

6. The real estate which the said testator was seized of or entitled to, and the encumbrances, if any, affecting the same, are set forth in the fourth schedule hereto.

7. The rents and profits of the testator's real estate received by the said executors, or with which they are chargeable, amount to $.....and they have paid, or are entitled to be allowed thereout, the sum of $....., leaving a balance due from [*or* to] them of $.....on that account.

[*If no rents, etc., received, say:* No rents and profits have come to the hands of the said executors, nor are they chargeable with any].

8. I have allowed the said executors the sum of $..... as a compensation for their personal services in the management of the said estate.

9. I have caused the real estate, other than parcels .....which were specifically devised, to be sold, and the purchasers have paid their purchase money into Court.

10. In the schedule, I have shown how the money in Court is to be dealt with.

THE FIRST SCHEDULE REFERRED TO IN THE FOREGOING REPORT

No.	Names of Creditors	Principal	Interest Allowed		Costs of this Suit	Total
			Rate per Cent	Amount to date of Report		
		$ c.		$ c.	$ c.	$ c.
	[*Distinguish any which are secured by mortgage, lien, or otherwise entitled to any priority.*]					

(No general form can well be framed for the other schedules, but in all cases brevity is to be studied. Where particulars are given they should show merely the general character of the things described; as, for instance, the schedule of outstanding personalty may say: A number of book debts outstanding amounting in the aggregate to $.....; a quantity of household furniture and effects valued at $.....; and the like short particulars should be given in other cases. Lands should be described without setting forth metes and bounds.)

3. No plan, other than a plan of public lands prepared under *The Public Lands Act* or as otherwise excluded by this Regulation, shall be registered or deposited in a land titles office unless it has been approved by the Examiner of Surveys or by such other person as is designated by the director of titles. O. Reg. 420/69, s. 1.

PART I

GENERAL

4. Before undertaking a survey, the surveyor shall refer to all documentary evidence related to the land under survey and the land adjoining the land under survey. O. Reg. 77/63, s. 3.

5.—(1) Where a monument no longer exists, all evidence concerning its original position shall be considered in the re-establishment thereof.

(2) Where a monument is placed on an existing boundary, the monument shall be placed on the boundary at a point which shall be established from evidence of the boundary line on both sides of the monument so placed. O. Reg. 77/63, s. 4.

6.—(1) Upon approval of a plan submitted for registration or deposit, the examiner of surveys, or an assistant examiner of surveys, shall endorse his approval on the plan in Form 3 or, where the plan is a plan of subdivision, in Form 2.

(2) The director of titles may at any time require an examination of a survey on the ground by the examiner of surveys or a surveyor under the supervision of the examiner of surveys.

(3) The director of titles may request additional information from a surveyor regarding any survey examined under subsection 2.

(4) Except where the title to the land shown on a plan is in dispute or comes into dispute, subsections 1, 2 and 3 do not apply to a plan of highways certified by an official of the Department of Transportation and Communications, a plan of public lands signed by the Surveyor General of Ontario or an official authorized by him, or a plan signed by the Surveyor General of Canada Lands under the *Canada Lands Surveys Act*.

(5) The requirements of all statutes and regulations that affect the boundaries of the land shown on a plan shall be ascertained and complied with before the plan is presented for approval. O. Reg. 77/63, s. 5.

7. Before presenting a plan for approval, a surveyor shall submit to the examiner of surveys, or an assistant examiner of surveys, two paper prints thereof together with a copy of any adjacent or underlying plan and, where the land being surveyed does not lie within The Judicial District of York or a local examining area, the surveyor shall submit an up-to-date title search certified by him or a local master of titles as being correct at the time of search, complete in respect of all documents registered in the land titles office that in any way affect the plan being presented for approval. O. Reg. 77/63, s. 6.

8. The examiner of surveys with the concurrence of the director of titles may approve a plan for registration or deposit although not complying strictly with the requirements of this Regulation or *The Surveys Act* and the regulations made thereunder. O. Reg. 77/63, s. 7.

PART II

Standards of Survey

9.—(1) All boundaries of the land being surveyed shall be measured directly or shall be determined by closed traverse or triangulation.

(2) Hanging lines shall be verified by two independent measurements of angle and distance. O. Reg. 77/63, s. 8.

(*a*) for the first 100 feet of perimeter, an error of 0.10 feet;

(*b*) for the next 1000 feet of perimeter, an error of 0.02 feet per 100;

(*c*) for each succeeding 100 feet of perimeter up to a total perimeter of 1900 feet, an error of 0.01 feet; and

(*d*) for a total perimeter of more than 1900 feet, an error of 1 in 5000.

(2) The errors of closure prescribed in subsection 1 apply to hanging lines. O. Reg. 77/63, s. 9.

11. The position of a natural boundary that forms a boundary of the land being surveyed or that governs the position of that boundary shall be determined by,

(*a*) periodic offsets at such intervals as the complexity of the natural boundary demands and to such extent as will enable relocation of the natural boundary, said offset measurements to be of not greater length than 250 feet and at not greater intervals than 200 feet along a controlled traverse;

(*b*) stadia measurements of not more than 1000 feet in length from stations on a controlled traverse, to such points on the natural boundary as are necessary to determine all its irregularities and to enable its relocation, such points to be of not greater intervals than 200 feet along the natural boundary; or

(*c*) controlled photogrammetric methods. O. Reg. 77/63, s. 10.

12. Bearings shall be astronomic. O. Reg. 77/63, s. 11.

(2) The only handwriting to appear on the plan shall be the signatures of those persons required to sign the plan, and under each signature shall be legibly printed the name of the person signing.

(3) Where a plan is a plan of Crown Land, a reproducible linen duplicate of the plan may be registered or deposited in lieu thereof. O. Reg. 77/63, s. 12.

14. No part of a plan or of any certificate, approval or other matter required thereon shall be stamped, typewritten, stencilled, lithographed or engraved, but the examiner of surveys may accept a plan notwithstanding that the title, legend, form of the surveyor's certificate or margin is printed, if it is machine printed with metallic overprint ink. O. Reg. 77/63, s. 13.

15. A plan shsll be drawn to a scale or scales sufficient for clarity of all particulars on the plan. O. Reg. 77/63, s. 14.

16. All linear measurements on a plan shall be shown either in feet and decimals of a foot or in feet and inches. O. Reg. 77/63, s. 15.

(3) Where bearings have been determined by the surveyor by astronomic observations, a note shall be shown on the plan as follows:

Bearings are astronomic, derived from observations on (polaris) (sun) .....
at (point of observation) .....
and referred to the meridian through (point on the ground definable by .....
survey) .....

O. Reg. 77/63, s. 17.

19. There shall be shown on a plan clearly and accurately by broken lines, sufficient information to enable the identification of,

(*a*) the limits of pre-existing subdivision units or limits defined by descriptions of land registered under *The Land Titles Act* or *The Registry Act*, included within the land surveyed and the land adjoining the land being surveyed; and

(*b*) the identifying numbers, letters or words of the land in clause *a*. O. Reg. 77/63, s. 18.

20. Subject to section 36, the limits of subdivision units created by a plan shall be shown on the plan by solid lines of a consistent weight and heavier than the lines referred to in section 19. O. Reg. 77/63, s. 19.

21. The adjoining limits of land adjacent to the land being surveyed shall be shown on the plan and verified with actual measurements. O. Reg. 77/63, s. 20.

22.—(1) A plan shall show the position and form of all survey monuments and other evidence found, conflicting or otherwise.

(2) Monuments and other evidence found shall be distinguished by the abbreviation "Fd". O. Reg. 77/63, s. 21.

23.—(1) The measurements of distances and directions obtained by the surveyor in the course of a survey on the ground shall be reduced to true measurements and shall be shown on the plan.

(2) Where a measurement of distance or direction differs from that shown,

(*a*) in the register or on a registered plan; or

(*b*) in a deed or plan registered under *The Registry Act*,

the measurement shall be followed by the abbreviation "Meas." and the corresponding measurement in the register or on the registered plan, or in the deed or plan registered under *The Registry Act*, shall be noted followed by "Register", "Plan (No.) ....." or "Deed (No.).....", as the case may be.

(3) Sufficient data shall be shown on the plan to permit the calculation of a closure of each subdivision unit on the plan, except in the case of hanging lines, which shall be designated as being verified. O. Reg. 77/63, s. 22.

24.—(1) Every plan shall be certified on the plan by the surveyor in Form 1.

(2) Subject to subsection 3, every plan shall contain a true copy of the field notes of the survey, and the field notes shall be certified on the plan by the surveyor as follows:

Certified a true copy of the field notes of survey.

....
(date) (sgd.) Ontario Land Surveyor

(3) Where the field notes cannot conveniently be shown on the plan, a true thereof shall be submitted with the plan and shall be certified on the plan by the surveyor as follows:

A true copy of field notes of survey is filed under number.....in the office of land titles at .....

27.—(1) Each subdivision unit into which an area of land is subdivided shall be designated on the plan by a number or letter or by words and if a designation is by numbers or letters these shall follow consecutively and there shall not be more than one subdivision unit designated on the plan by the same number, letter or words.

(2) Vincula shall not be used in the designation of a subdivision unit. O. Reg. 77/63, s. 26.
